# God is releasing Kings that share his own heart - You're called too

**There is a bridge between your heart's desires and God's plan to build the Kingdom!**

**Rich Forster**

His Sales and Management business career has spanned nearly 40 years in the Telecommunications, Yellow Pages industry primarily with several years also in Retail and Wholesale clothing business. This business journey included numerous ownership positions in fulfillment of his entrepreneurial spirit.

Rich lives in Springfield, Missouri with his wife Vana of 30 years and is the proud father of Tanner 27, and Tyler 21.

**Kings** is the term we use to describe entrepreneurial men and women who harness wealth and influence in the marketplace... in business, government, finance, the arts... to "bless the Nations." *Releasing Kings* and *Desire to Destiny* are the titles of our books – but it's really a movement of God's people into their ministry and their dreams. We paint a picture of Kings who are naturally bold, creative, and decisive, who are being used to fulfill the great commission. God is going to use an entrepreneurial people to "bless the nations."

**You're invited!**
