

Father - Lord, show me creativity.

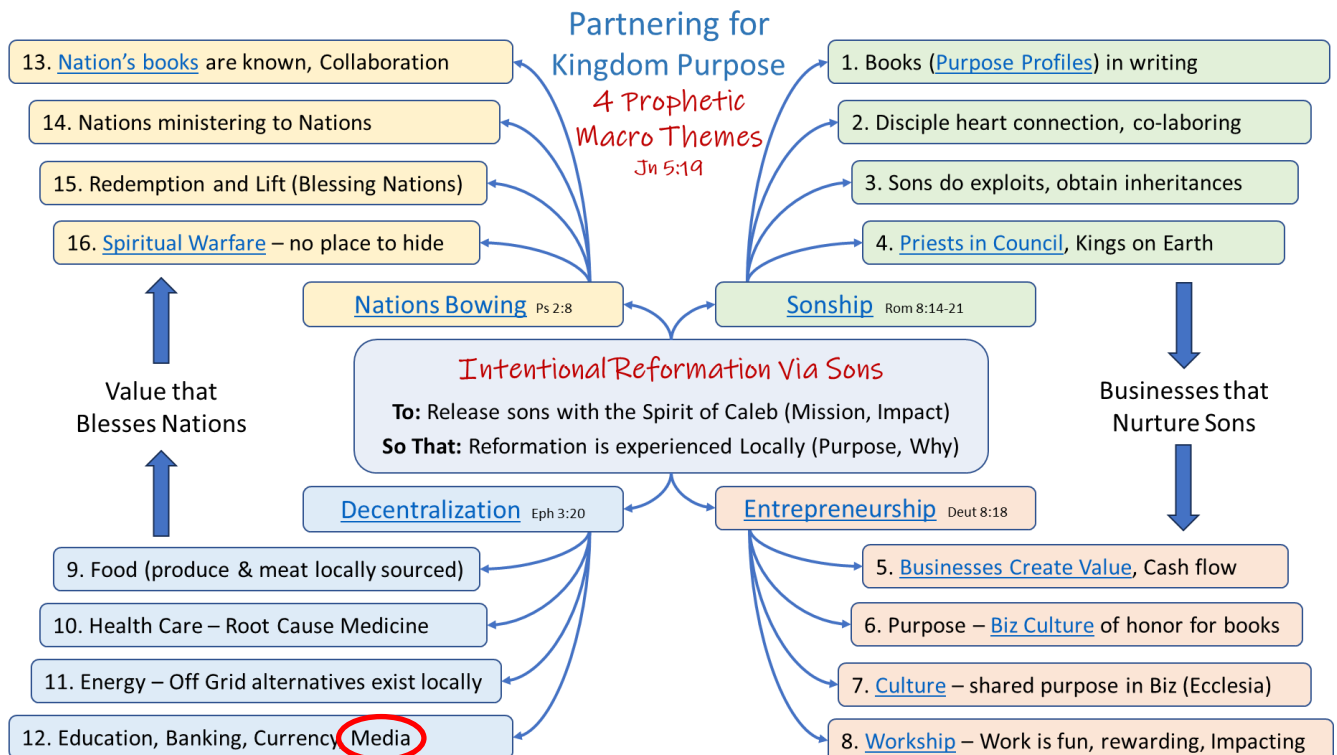

- It's seeing something others don't yet see
- Because you are aware of Father's purpose; have eyes to see (what Father is doing)
- Creativity is finishing Father's work, (*teleioo*, see the future with your telescope, seer gift)
Jn 4:34 – my food is to do the will of Him who sent me and to finish (*teleioo*) His work.
- Most creativity is in the realm of reinvention, not invention
 - It's doesn't have to be brand new, usually improvement on a theme, a purpose
 - An idea premised on an existing purpose; a kingdom purpose
 - An extension of what Father is doing.
- Creativity adds value for others, and identity for the creator (Deut 8:18)
 - Value does create money, but money isn't the source a sons identity
 - Personal identity comes from creating value
 - You are Father's handiwork created unto good works
 - Sons are His handiwork created unto Good works, creativity

Example – if you know Father has a kingdom initiative for decentralization

- And you know the devil's initiative for globalization, communism, and control
- You will perceive [Jason Aldean's song](#) is a decentralization of a media mountain narrative.
- A son is getting on top of the media mountain!

When sons are in the council (Keeping in step, Gal 5:25)

- You will see Kingdom purpose
- You will see a way to create a means to implement that purpose
- A Way to expose and defeat an enemy agenda

Jesus

Gen 1:27 – God created mankind in His own image (naturally creative)

- Darkness – people fall into service and slavery (unimaginative, obedient to the lie)
- Kingdom – freedom to be a son, see Father's purpose
 - Sons are co-owners of Kingdom, shared purpose, part of family
 - Treat things from an ownership perspective; responsible, engaged

Example - When you perceive Father as the author of abundance

- You will discover new resources (Oil, minerals, ideas, answers, inventions)
- Solve things like pollution (see the fake narrative of over population)
- Find room for 30 billion people on earth... plenty of room

I am engaging you to redeem, replenish, fill the earth (Gen 1:28)

- There is an anointing for creativity, the ability, and power to create value
- Deut 8:18 – the Lord your God, who gives you the ability to produce wealth (Chayil, value)
 - Ability (Koach, H3581) – vigor, capacity, means to produce

Creativity is tangible – a manifestation of Heaven's purpose on Earth

- Creative sons translate purpose with invention (even Heaven is surprised and blessed)
- The council is primarily a resource for Father's purpose, so Sons can run with it

Holy Spirit

Creativity starts with the Spirit of Truth (Holy Spirit); engages all 7 spirits

Wisdom - strategy

A corporate culture with clear, compelling, and prophetic Kingdom purpose

- Invites people to create new ways to add value
- Sons are designed to create, waiting to be invited, celebrated, discovered
- Releasing their hearts to create and add value multiplies a business

Understanding – Tactics

Creativity and value can be optimized

- By understanding staff purpose; making room for gifts
- Giving them permission to purpose what Father wrote in their hearts
- Honoring what they carry in the business culture;
- Freeing the good works they are designed to do

Council

Creativity is a Kingdom Cultural Value to be celebrated

- Show sons how to see it and celebrate it
- Create the business culture that makes room for sons to become mighty men
- Welcome them to family (heb 2:8-9); train them for war, creativity

Creativity turns the lights on to defeat darkness

- 1) new purpose is evident
- 2) New ideas, philosophies, narratives,
- 3) Tangible inventions and reinventions that make a difference (Reformation)

Might

Creativity is a “not afraid to fail” mindset (there is safety and authority in knowing Father’s purpose)

- It’s an invitation to think differently
- Have Caleb’s different spirit
- Do things that haven’t been done before
- Create things that haven’t been seen before

Good ideas and inventions come in like a flood,

- break down the gates of hell; Set captives free
 - From old religious mindsets that enslave
 - Creativity has a jailbreak feel of Kingdom
 - Sons who can make a way, when there doesn’t seem to be one

Knowledge

Creativity can be taught (disciplined in sonship)

- A business culture built around compelling and prophetic Kingdom purpose inspires creativity!
- A compelling purpose draws out the mighty men in sons and daughters
- Kingdom purpose resonates with Caleb’s; it speaks the language in their heart; they can see it
- Teams of Caleb’s are built around purpose (it has to be their purpose too!)

Intentional Reformation is built on intentional Kingdom Purpose.

Fear of the Lord

Isa 43:18 – “Forget the former things; do not dwell on the past.

19 – See, I am doing a new thing!

- Now it springs up; do you not perceive it?
- I am making (creating) a way in the desert and streams in the wasteland. NIV

2 Cor 5:17 – Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!

Prepare the way for the new; it’s the way of the Lord (Be John the Baptist and *bring it!*)

Let resistance to the new become the celebration of the new and better covenant.
