

# John Garfield Bio

The movement sweeping our nation and the world is tumultuous and planned at the same time. God is pulling the curtain back on a Reformation that touches People, Businesses, Cities, and Nations. It all starts with getting connected with the desires God wrote in your heart.

John was raised on a cattle ranch in the big sky country of Montana. As a Chemical Engineer, pastor for 13 years who planted two churches, author, speaker, and business coach he still sees the big picture systems from both a prophetic and a practical perspective – [Kingdom Business Coaching Intro](#).

John and Sue live in Kennewick, WA and have 4 Kids and 7 grandchildren. John's purpose is scaling Intentional Reformation in the Business Mountain.

## Why We Do It – Intentional Reformation

*My business exists for* Intentional Reformation – Create a movement among leaders and fathers to mentor sons into their books, so they can bring Heaven to earth and create value in business to bless people, businesses, and nations. We're scaling Reformation through sons and daughters in business.

- 1) *What we do?* – Live conferences, business coaching, and interactive courses on Zoom to clarify purpose, access Heaven to open books (Ps. 139:15-16), and implement that purpose in life and business to create value and cash flow.
- 2) *Why do we do it?* – To help people fulfill their heart's desires, Kingdom purpose, and grasp why they are chosen. We see sons and daughters in the Kingdom bringing Heaven to earth. We're helping them experience the courts of Heaven to deal with accusations and to participate in God's Council to hear and see what Father is doing so we can do it with Him (Jn 5:19). We want to give businesspeople full access to Heaven's Courts and Council to open their books and play their role in a Reformation of Nations (Intentionally).
- 3) *For whom do we do it?* – We coach business / entrepreneurial people (difference makers and institutional leaders) who value Biblical spirituality coupled with practical initiatives that get results.
- 4) *Why do we do what we do the way that we do it?* – It takes about six weeks for people to iterate to clarity and get their personal or business purpose in writing with a [Purpose Profile](#). Personal interaction on Zoom with a prophetic facilitator who can hear your heart will get you there.
- 5) *How are we different from others providing this service?* – We see spirituality as a combination of business wisdom and revelation from the Holy Spirit, a conversation with the Spirit of Wisdom. We value prophetic inputs and cash flow at the same time. We don't hide Jesus, yet we don't wear religion or pseudo-spirituality on our sleeves. Practical, credible, experiential, and Biblical spirituality get business results that speak louder than words.
- 6) *Why do we get up in the morning to do this?* – When we help people get clarity on what God wrote in their hearts (find themselves), they fall in love with Jesus, us, and one another. Tribes form, and Ecclesia happens in the business culture around shared purpose.
- 7) *What are we passionate about?* – Co-laboring with Father on Reformation to redeem people, businesses, and nations. We're instilling the *experience* of Kingdom purpose in business cultures and mountains worldwide.

# Intentional Reformation In Business

Scaling Business Purpose, People, and Processes

**To:** clarify (and being carried by) the purpose Father wrote in hearts and Business,

**So that:** “Leaders” hear God, build Kingdom Culture, release Ecclesia in their Staff, and have a contagious template for Reformation of People, Businesses, & Nations.

**With whom:** Biz Sons & Daughters who access Father’s Council - “Seers & Doers”

**Why do we do it?** – We help people fulfill their heart’s desires, Kingdom purpose, and grasp why they are chosen. We see Sonship in Business sons and daughters for whom all creation has been waiting as:

- **Priests (Seers)** who ascend to Heaven’s Courts & Council, and
- **Kings (Doers)** who bring Heaven’s Purpose to Earth in Business.

Businesspeople aren’t spiritual Neanderthals whose prayer life sucks; they can be prophetic and apostolic co-laborers with Father. They can build His Kingdom on Earth through their business and participate in a Reformation of Nations. Their staff can be an Ecclesia who build the business and the Kingdom at the same time. Sons say “yes” to being Priests in Heaven and Kings on Earth. They are experiencing the Courts of Heaven to deal with accusations, and they participate in God’s Council to “see” what Father is doing so we can do it with Him (Jn 5:19). We’re inviting businesspeople to ascend to Heaven’s Courts and Council to open books and play their role in a Reformation of Nations (Intentionally). Businesses in sync with Father’s Purpose are favored, cups that overflow.
