[Ascending to the Council Made Simple](#)

[7 Spirit Cue Cards](#)

Some seemed trapped in Religion?

- Using intercessors and HR to protect themselves in business?
- Forfeiting sonship for *prophetic servanthood*, religion?
- Religious false pretenses?

Accusation

- It's a house of mirrors (nothing is real)
- Is vain imagination rooted in prophetic manipulation
- **It's a prophetic gang plank** – for businesspeople, intercessors, pastors, prophets
 - Take it to the cross

What is left? What is real? What can be decreed?

- 1) Investors will protected from this cycle
- 2) The Church/Prophets will be cleansed from presumption, corruption, witchcraft
 - a. Using business to get something for nothing
 - b. Solve financial issues
 - c. Propping up false prophetic with fabricated faith
- 3) Sons will find the real thing
 - a. Protect them from religious, business fraud
 - b. Everything is just paper

Decree

- Value creation in business
- Protection from legal fraud
- The religious spirit broken, exposed

Jesus

How can this mess be redeemed?

- 1) Love, listen, be a sounding board
- 2) Stand in the Gap (Bind and Loose Mountains)
 - a. Cleanse the prophetic
 - b. Cleanse the church

Spiritual Fraud – get something for nothing

- Prophecy for money, reputation, out of soul
- Using the Lord's/Jesus name in Vain

Mt 15:18 – *But the things which come out of the mouth come from the heart, and they defile the man.*

19) For out of the heart come evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies;

20) these are the things which defile a man

Holy Spirit

The Spirit of Truth is the standard for prophetic revelation.

- The compromise is offering substitutes
 - Using the Jesus' name in vain (Ex 20:7)
 - Blasphemy – Who's doing it, saying it (Mt 12:31-32)
 - Vain philosophies – Substituting human philosophies (Mt 15:18-19)

Prophecy is primarily Father's purpose, heart, in the Spirit of Truth

- Wisdom (strategies), understanding (tactics), applications all flow from conversations
 - Sons are intended to be creative and make a contribution
 - Sons are not rote servants just carrying orders
 - They follow Father's heart and authority

Wisdom – Strategy

Don't take prophetic words from other people/prophets for granted

- Servants obey them
- Sons weigh them

Sonship is all about learning to hear and discern and do what God is saying to *you*

- Mentors can help, but pastors and prophets never replace God
- Earthly Fathers are no replacement for father
- The whole role of fathering is helping connect with Father
 - What did father write in their book (Identity, purpose, dreams)
 - How is He continually adjusting, speaking
 - Mt 4:4 every word that *proceeds*

Understanding – tactics

Make room for people to discern, judge prophecy

- Use your own as an example
- We prophesy in part and see in part
- That doesn't mean we don't try
- It means we are in the Council frequently getting the story straight

Discern

- 1) Are your goals out of your own heart?
- 2) Does Father share them, author them?
- 3) Do you know why? What's the over-arching purpose?
- 4) Is it in your book? Does it belong to someone else? Are you being invited to pray?

Counsel

Speak the truth in love

- Father is exposing corruption in the prophetic
- He doesn't need cowboy's *going off the rails on a crusade*
- Yet there is a place in the courts to Bind and Loose
- There is a place in Blogs to contrast the Spirit of Truth
 - Prophetic truth
 - Prophetic manipulation for carnal designs
 - Fraud that doesn't bear fruit (has consequences)
 - Something for nothing vs value creation
 - Wealth transfers
 - Out-of-Your scope, book
 - Someone else is hearing for you

Might

God's power – binding and loosing what is already determined and discerned in Heaven

Prophetic witchcraft – Binding and loosing from your soul

The difference is Father's purpose

- Is it in His heart? (righteousness is being on the same page)
- Are you "in Christ" in Father's heart, in the Council

Knowledge

Everything that quacks is not a duck

- The wheat and tares are growing together (Kingdom reality)
- Prophecy must be discerned
 - It's normal to find imbalance, also OK... survivable, discernable
 - Discern; What resonates? (eat the chicken, spit out the bones)
 - Don't use prophecy as a substitute for:
 - Responsible decision making
 - The the Council, have the conversation with 7 spirits

The imbalance is that the charismatic spirit of prophecy isn't coming through the Council

There is a pull on the prophetic to influence business and politics (the results are mixed)

Fear of the Lord

Honor the Spirit of Truth and all 7 Spirits

They reflect the whole counsel of God
