

## Father

Thank you for Face time blogs, Michelle, Larry, Chris (clarity)

Lord what is on your heart?

Lord is there a place to give blogs to pastors (some already archive them)?

- Sermon ideas
- Help them transition to Kingdom age
- Help churches relate to biz mtn
- Adopt sonship, courts, council, Reformation in Nations, cities, people, biz

John, like everyone, they are wrestling with the age change to Kingdom

There is a place to market them, evangelize them, help them...

- 1) Access to blog articles
- 2) Intro to books ([\*Intentional Reformation\*](#), [\*Lead Your Tribe Field Guide\*](#))
- 3) Zooms for Q & A; a face book group
- 4) There is a pastor(s), or group of churches to help lead it

## Jesus

I am redeeming churches out of religion into Reformation

- People can be equipped for the work of bringing heaven to earth
- Ecclesia can be built around shared Kingdom Purpose... that is fresh bread
- Home groups can be business groups gathered around purpose
- The vision to disciple in business could start with CEOs being equipped for Kingdom Culture in churches... it's a choice

Pastors to feel left out of kingdom...left behind financially... because they are

- They need help with the age change... what is the new wineskin the church mountain?
- John there is a graphic, an interview, and a champion

Lord show me who carries this? What is the graphic?

# Holy Spirit

John, make room in your heart for religious refugees

- See what father is doing in this mountain
- give yourself permission to ask to redeem it (just like the nation)

Accusations against church, religion

- It exists for itself (Father’s Kingdom purpose isn’t first, Reformation is not seen)
- Have made “ministry, 5-fold offices, titles” idols... goals instead of tools to build Kingdom
- Have seen themselves as the only mountain or overseer of other mountains, Pride.
- Mega churches are overcome by corruption

- 1) Take these accusations and others to the courts.
- 2) Release their books, and decrees.
- 3) Manifest the new wineskin, the movement the jailbreak from oppression.

Churches really are a business with cash flow

The value that flows from clear purpose needs clarification (sonship is on Father’s heart)

**Scene** – giving cell phones to refugees from religion at the border of Kingdom & Reformation.

- Jn 10:27 - my sheep hear my voice (*Phone*)
- Taking sons to the council and having conversations (use their phones)

## Wisdom – strategy

Write the offer, sound the alarm... see who “buys”

- Find the leader(s)
- Promote them, help them, interview them, invite them
- They (Pastors) hold a key that “could” release people into sonship:
  - Access to courts and council, sonship
  - Entrepreneurial creativity
  - The assertiveness of Joshua and Caleb who say, “We are well able to make this Reformation.”

Transition from building buildings (churches), but building Ecclesia, establishing Kingdom

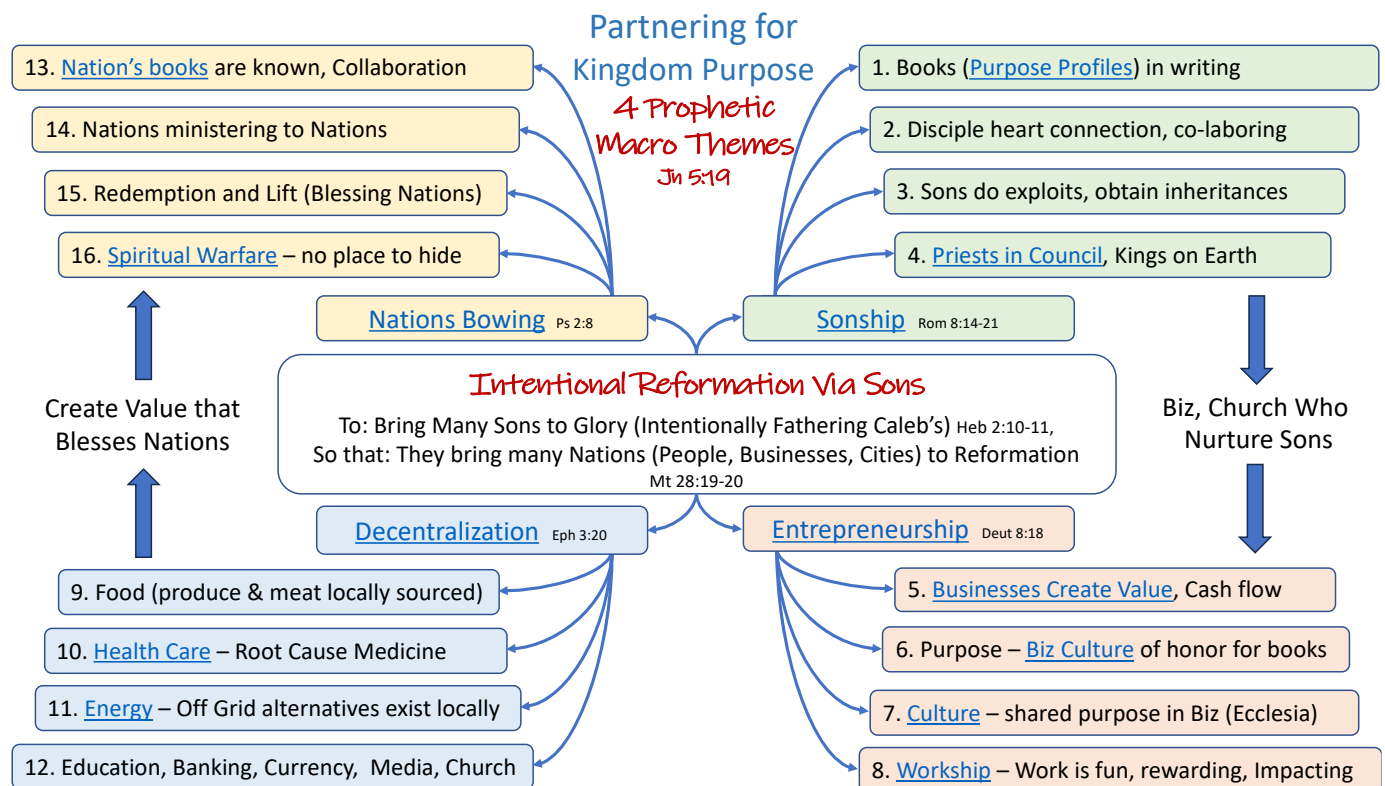

## Understanding – tactics

Lord, how to help pastors make a peaceful, practical transition to Kingdom?

- 1) Show them what to do, that is rooted in Purpose
- 2) I will show them how (don’t make the transition a religious recipe... it’s sonship)
- 3) Create the venue, the platform in the spirit and on earth
  - a. For pastors to dialog on how... to be in the Council themselves
  - b. To create and duplicate the new wineskin that works
  - c. Let them determine their own pace, the pace of their flock

Create the graphic that outlines the what; contrast the new and the old wineskin

- John, it’s not a lot different than putting *Kingdom culture in Business*
- Treat it like one more mountain to decentralize into sonship

## Counsel

Father will add the evangelists for this mountain

- They are the pastors who speak the language
- Have the position of trust and influence

John, you are good at equipping, inspiring, and delegating... this is one of those.

## Might

The graphic and the copy will have legs

- Father is doing this; has gone before you
- It is time (you have not judged the church for 20 years; now is time to reach out)
- There is a way; there are helpers
- It is in your heart to pull this mountain into the movement toward Reformation.
- Doors will open
- Make it simple, doable

“Redeeming the Church Mountain Out of Religion and Into Kingdom”

## Knowledge

This movement will feel like a jailbreak.

- People will drink the new wine and dance to the music of heaven
- They will delight in the Lord and Father will give them the desires written in their heart
- They will continue prophetic worship  
but now they will experience the same anointing for “work as worship”
- Sons will open doors no man can shut.
- The different spirit of Joshua and Caleb will be released from sons in the Council

## Fear of the Lord

Don't be afraid to honor the chosen-ness of pastors... they have volunteered

Trust Father to move them into the movement... speak to the rock, don't strike it.

# Pastors Shifting From Religion to Kingdom

The Painful Starting Point	The Breakthrough	Experiences
<b>#1</b> Religious Prayer I have struggled for years with my prayer life. I've struggled with focus, with purpose, with relinquishing my own ego-centric wants. I've spent way more time praying for my own wishes, wants, and worries rather than for others and for the Kingdom, generally. I'm not proud of it.	<b>Sonship</b> Businesspeople aren't spiritual Neanderthals whose prayer life sucks; I'm moving from <a href="#">Crumbs to Conversations</a> ; from asking & wishing to Ascending, Binding, and Loosing. Father does things through me, not just for me!	Experience in Courts of Heaven & Council "Seers & Doers" (It's Real)
<b>#2</b> Boredom, Loss of Enthusiasm, Vision I'm out-of-gas babysitting God's unmotivated people. I would like to part of what God is doing... do it with Him.	<b>Opening Your "Book" - Purpose</b> My Kingdom purpose is clear and in writing. It resonates with others. Can Feel Father's wind in my sails.	Purpose Profile in Writing (It Resonates)
<b>#3</b> Participation I'm feeling left out. I want to make a difference in my church, my community... be part of a national transformation... play a role. Find a Tribe of Pastors to do it with, taste the new wine!	<b>Feeling Chosen - Tribe</b> I share a purpose with others (transparency), and we're working to make it happen. I know and support the purpose of friends in my Tribe.	Part of Zoom Tribe Experience Ecclesia (Transparent Purpose)
<b>#4, 5</b> Motivation & Morale My leadership team and congregation come and go. They are not on the same page, not excited, and don't share a vision.	<b>Culture in My Church</b> I have a 1-on-1 strategy to find out what my team carry. I'm listening for the purpose in their hearts. Our Kingdom Business Purpose is clear and engaging for our team.	Internal 1-on-1's for Purpose Profiles (Sons Ignited, Engaged)
<b>#6</b> Church is Struggling Financially I need help solving problems in my finances to make ends meet. We have taken "Value" we provide for granted.	<b>Creating Value (Cash Flow)</b> Now I have outside eyes on the KPI's that determine the health & growth of my church. Monitor monthly cash flow.	Creating Value Managing Cash Flow
<b>#7</b> Contribution I want to make a difference, have an impact, create a legacy! I want to partner with the business Mountain.	<b>Intentional Reformation</b> I'm leveraging the overflow of motivation and money to bless people, cities, and nations. I can see what Father doing and do it with Him (co-labor).	I'm Engaged in Kingdom Practically, Intentionally

## Scaling Reformation By Equipping Sons
