

Raising the Standard of Living in Biz – to Rich Toward God

Rich Toward God

Kingdom flows from what we have experienced, not how well we perform.

Rich Toward God is not measured by production rates, profit, ROI, or cash flow.

Sons do perform well in the natural world of KPI's because God works through them.

The true measure of their wealth is treasures in heaven, relational experiences in heaven.

They are *Rich Toward God* for five very practical reasons. Sons are not passive!

They are aggressive about putting Kingdom first. They know foundations,

Heart Experiences Inspire Performance.
