Other tribes are infused with sonship, Courts, and Council and led by relational affiliates. We’re supporting them.	We’ve found key biz people, unlocked their books, and introduced them to the Council. God has positioned them in their nations.	Collaborate with partners, affiliates, and friends to streamline the approach to Intentional Reformation. Father is leading it.

4. Create Value – Sonship, Seers & Doers, in the Courts and Council; We’re multiplying sons who ascend and bring Kingdom to earth in Biz.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
What used to be theologically questionable is now mainstream and mature in the business Mtn. God is talking, working through His sons to do greater works.	We’ve taught businesspeople how to ascend and have conversations in the Council that include 7 Spirits. They are bringing back exploits and vision that is practical.	We find the first fruits, the ripe fruit and work with those ready to move.  We’re integrating Council sessions, Blog themes, and the Face Book lives to model <i>Living Words</i> from Father.  + It’s mentoring for participants

5. Technology, Tools, and Systems – Nail your purpose field guide, Purpose Profile Coaching including aspirations and story are building sonship.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
Many sons are in the council and have a clear purpose profile, aspirations and celebrate their story. It’s all in writing.	We’ve made ascending and conversations in the Council with Father, Jesus & 7 Spirits safe for engineers!!! It works, people love it, use it, disciple their sons with it.	We continue to knock on the door of apps, AI, Networks to be faithful with what Father has shown; helpful for people He’s led us to.

6. Technology, Tools, and Systems; The Kingdom Culture Field Guide.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We’ve used the Course, developed 1-on-1 templates that include Courts/Council, leveraged engagement assessments via 1-on-1’s and seen the fruit (Ecclesia) in business cultures	It feels really good to have sound theology plus a practical roadmap to help people experience Heaven and bring Kingdom to Earth. It’s exciting to play a part.	People have grasped the concept of sonship and Kingdom Culture. Businesses are innovating new ways to help pull sons into their hearts.

7. Technology, Tools, and Systems – Intro to Courts, Council, 7 Spirit Cue Cards

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
Businesspeople use the Courts of Heaven for spiritual Warfare and the Council to see Father’s heart and strategy. They are doing what Father is doing in Business.	We get to introduce son and daughters to their seat in the Council; their role in the Kingdom; their strategy to break accusations (Courts).  They experience the reality, impact of ascension and bring something back.	Find the strategic leaders and invite them to experience it, then instill in their staff, business culture.

8. Technology, Tools, and Systems – Links, Books, Online Classes, Blogs, FB Lives

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
There is a full suite of self-help options for those who can’t afford coaching. People can Find the <a href="#">roadmap</a> and work their way through the progression.	We can feel Father’s love for His sons and daughters, feeling the anointing to help them ascend and experience purpose, strategy, 7 Spirits.	We steward and simplify the pile; make it easily digestible. Build discipleship/sonship into the biz culture (Priestly Leadership).

9. Culture, Purpose is known and alive – Leaders are Prophets & Priests in Courts & Council, Kings on earth.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We’ve instilled in business managers the lifestyle of being in the Courts and Council to “go before” and manage the spiritual climate	Leaders who have connected hearts and access to the Council “stand out.” They feel like arrows shot from the heart of Father.	We continue to articulate what we get from the council in the blog and to our tribe. It’s alive, feels like we are keeping in step with Father, 7 spirits.

10. Culture, Purpose is known and alive – 1-on-1’s that produce purpose profiles, monitored with engagement assessments.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We linked the role of 1-on-1’s with Kingdom culture. They naturally produce purpose profiles; the health of 1-on-1’s are seen in engagement assessments; adjustments are made to connect hearts.	People love sharing clear Kingdom Purpose in an Ecclesia. The presence of God is there. Sons are exuberant, doing exploits, celebrating victories.	We’re raising the visibility of 1-on-1’s. Showing them as the means to purpose and aspirations, using Courts and Council with sons to get there.  Collaborating with Chis and Gary on the dashboard.

11. Culture, Purpose is known and alive – The biz Culture naturally grows Sons, Prophets, Priests, and Kings.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
The sons all creation has been waiting for are clearly “operational.” They are occupying mountain tops and replacing fallen sons.	Seeing the exploits of these sons exceeds all that we could ask or imagine. Reformation of nations is within reach.	We’re working with business cultures one at a time “and” trumpeting the theology, lifestyle, and templates that roll out the red carpet for son’s growth in business.

12. Culture, Purpose is known and alive – Ecclesia, Sons sharing purpose, exploits, Mighty Men of God.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
There are many healthy examples of businesses intentionally targeting Reformation by developing sons, being in sync with their purpose; what Father is doing.	It feels like Reformation is achievable, the lifestyle of co-laboring with Father is real and fruitful. Our hearts are satisfied, filled with gratitude for Father calling us to this role.	We’re doing video testimonials that target the <a href="#">progression of sonship</a> in a business. They flag the connection between <a href="#">Operational Excellence and Relational Connection</a> .

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We have found key leaders open to sonship and equipped them in Courts and Council; stood with them in their purpose to bring Reformation to Egypt and Europe	When the sonship spreads through open doors and open hearts, we feel the wind of Heaven. Europe and the middle East are being set free.	We are faithful to help sons experience hearing Father in the council. Releasing their seer gift to see what He is doing.
