

## Unlock Your Kingdom Business Purpose

Are you an accomplished business leader who feels there's something more you're called to do? You've built success, gained influence, and you're deeply connected to the world around you. Yet you're ready for a new chapter—one with greater purpose, meaning, and impact.

We help business leaders like you make the shift to a Kingdom Business.

### Who We Help the Most:

Businesspeople who:

- Have already found success in business.
- Feel a deep calling—spiritually, politically, & culturally—to lead change & love people.
- Carry a vision with opportunities but are seeking more purpose in their work.
- Are open to new ideas and ready to embrace a meaningful shift.

### The Challenges We Face:

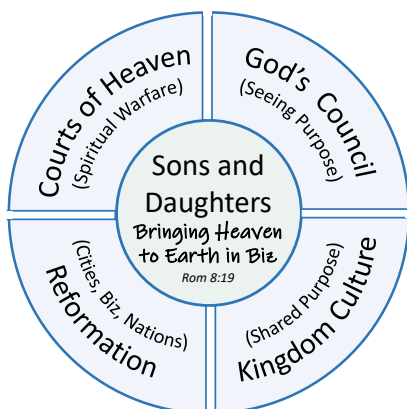

Many business leaders are realizing that the singular business culture focus on vision, quarterly rocks and KPI's for success, leave us feeling stuck, overwhelmed, and disconnected from our true North. Clients who want to *buy our why*, can't find one. The constant busyness and stress of running the machinery of business can leave us unfulfilled, despite outward success. We're seeking something deeper, something that aligns our business with our spiritual purpose. Our staff dilemma is that *people will do more for a cause than they will for money*. We can't buy excellence, quality, or productivity! Money only buys mediocrity in our staff. In the long term, it doesn't even motivate us!

### The Transformation Experience:

You will discover your distinct purpose and understand that you are chosen by God and have a unique assignment. The result?

- A renewed sense of purpose, deeply connected to the heritage in your sonship.
- Relationships with partners, staff, and community are knit together around shared purpose.
- A network that honors and understands your mission, both spiritually and practically.
- A business strategy with cash flow; Father is Co-laboring, people are excited, purpose is real.
- A guide into your story, who teaches you to fish instead of... ([Click for detailed graphic](#))

## Father's Purpose is a KPI for Life and Business

#1) How Do We Measure Our Gates that Let the King in? (Ps 24:7)

#2) How Do We Measure What Father Adds To Our Business? (Mt 6:33)

# Why We Do It – Intentional Reformation

**My business exists for** Intentional Reformation – Create a movement among leaders and fathers to mentor sons into their books, so they can bring Heaven to earth and create value in business to bless people, businesses, and nations. We're scaling Reformation through sons and daughters in business.

- 1) **What we do?** – Live conferences, business coaching, and interactive courses on Zoom to clarify purpose, access Heaven to open books (Ps. 139:15-16), and implement that purpose in life and business to create value and cash flow.
- 2) **Why do we do it?** – To help people fulfill their heart's desires, Kingdom purpose, and grasp why they are chosen. We see sons and daughters in the Kingdom bringing Heaven to earth. We're helping them experience the courts of Heaven to deal with accusations and to participate in God's Council to hear and see what Father is doing so we can do it with Him (Jn 5:19). We want to give businesspeople full access to Heaven's Courts and Council to open their books and play their role in a Reformation of Nations (Intentionally).
- 3) **For whom do we do it?** – We coach business / entrepreneurial people (difference makers and institutional leaders) who value Biblical spirituality coupled with practical initiatives that get results.
- 4) **Why do we do what we do the way that we do it?** – It takes about six weeks for people to iterate to clarity and get their personal or business purpose in writing with a [Purpose Profile](#). Personal interaction on Zoom with a prophetic facilitator who can hear your heart will get you there.
- 5) **How are we different from others providing this service?** – We see spirituality as a combination of business wisdom and revelation from the Holy Spirit, a conversation with the Spirit of Wisdom. We value prophetic inputs and cash flow at the same time. We don't hide Jesus, yet we don't wear religion or pseudo-spirituality on our sleeves. Practical, credible, experiential, and Biblical spirituality get business results that speak louder than words.
- 6) **Why do we get up in the morning to do this?** – When we help people get clarity on what God wrote in their hearts (find themselves), they fall in love with Jesus, us, and one another. Tribes form, and Ecclesia happens in the business culture around shared purpose.
- 7) **What are we passionate about?** – Co-laboring with Father on Reformation to redeem People, Businesses, and Nations. We're instilling the *experience* of Kingdom purpose in business cultures and mountains worldwide.
