Good question. What is the worth of being shown your seat in heaven?

- How to ascend to that place already prepared for you?
- How to bring back what you are called to carry, participate in Father's Reformation?

We'll get into that after you make the decision. Others who have got their purpose profile in writing and applied it in their business have "given" \$5000 and then engaged in ongoing coaching for even more... all over zoom.

Who is this For (Our Who)

We started out by prophetically connecting hearts to purpose; life-coaching to help people realize business dreams. People really got blessed. Then we targeted self-replication in a business culture. Then our avatar was an owner or leader with a staff or an influence with a tribe of followers. We wanted to help them get clarity on their purpose, the purpose of the business, and how to instill it in the culture of their business. The goal is a sustainable culture of life, an ecclesia inside a business.

We've also noticed 7 attributes in the sons we've already helped. There is a movement in Kingdom business. We've learned to co-labor with people whom the Lord is already preparing. We've realized what we do isn't for everyone, yet it's a perfect fit for some.

The Movement – People don't want accountability to obey a bunch of rules or perform in a process according to a script. Their hearts are designed for life, and flow, and the wind of God.

- They want to be God's sons and daughters swept up in a movement that shakes the nations.
- They want to join others already doing it; to co-labor with what Father is doing.
- They want to be part of a larger purpose, a brighter future, changing the world.
- They want a unique part of that purpose and to make a contribution others celebrate.
- They want the love and esteem that goes with shared purpose (Ecclesia).

<p>1) First fruits – Those receptive to sonship, already prepared by Holy Spirit, Those who can hear the prophetic call, already willing to co-labor. <i>Lu 11:28 – Blessed are those who hear the word of God and follow it.</i></p>	
<p>2) Poor in Spirit – Freed from the spirit of mammon, the cult of self, religion Open to ascension to the Kingdom of Heaven, Courts, Council <i>Mt 5:3 – Blessed are the poor in spirit, for theirs is the kingdom of heaven.</i></p>	
<p>3) Divine Discontent – Can see enemy devices, long/mourn for overthrow of evil <i>Mt 5:4 – Blessed are those who mourn, for they will be comforted.</i></p>	
<p>4) Humble/Courageous – Operate according to His power at work in us (Eph 3:20) <i>Mt 5:5 – Blessed are the meek, for they will inherit the earth.</i></p>

John's System Origin Story (SOS)

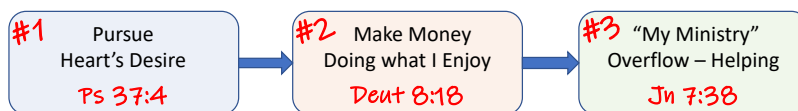

(Hell, OMG discovery, Heaven = Reason for my Passion)

Connecting with my own heart (The Purpose Profile)

I chose my college major based on what I was good at and what made the most money (Chemical Engineering). My real passion was ministry and at the age of 40 we started a 13-year stint as bi-vocational pastors, on top of having 4 kids, busy but fun.

Well, the fun wore off after the second church plant and I lost my engineering job about the same time in 2003. The Lord asked me, *John, what would you like to do?* I had always thought obedience was the key, so this question opened a door to *be me*, more authentic. I chose business and the model for life looked like *have fun, make money, and love people*. We we're doing conferences in the US, Canada and Europe, helping people get in touch with their hearts and putting those dreams in a business plan.

From All About Me

Connecting with God's Heart (The 7 Spirit Profile)

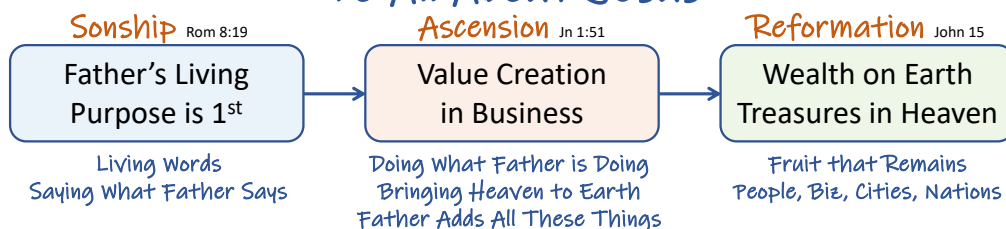

In 2008 we started a network marketing business which never got off the ground, but the friend we worked with also traded currency online. Sue and I both enjoyed trading and then our friend shared a managed account option that was even better... so we put 800K in it (all our savings). We lived out of the interest for 4 years and the account grew to over \$2M.

In 2012, the friend who introduced us to trading committed suicide, and the FBI couldn't find the \$150M that 100 people invested. My dream, theology, and identity all crashed in the same month. Through months of depression, I asked the Lord every day what I did wrong. Was it me, God testing, the devil attacking? The Lord just said, *John, sometimes things like this happen. It wasn't your fault or my fault, or the devil's fault. Do you want to come home or finish your course?* I decided to finish ☺.

So, I went back to engineering, sold everything we could, and barely dodged bankruptcy. There was help from the Lord, but there was no 7-fold restoration of what was lost. It was a discouraging 5 years of legal litigation while *following the lamb wherever* – a new concept for me because my dream evaporated! In 2017 a friend introduced me to the Courts of Heaven, Ascension, and a Seer gift. Then my blog editor introduced me to the *Unseen Realm* by Michael Heiser that gave the biblical basis for God's Council. Now ascension was real, a prophetic well of Living Conversations. It's the Foundation for Kingdom business. The \$2M loss turned out to be a trade I would be happy to make over again.

Now we had a life and business model that starts with the desire in God's heart. We've since developed a Kingdom Business coaching model that connects the desires God writes in our heart with His. Then we express that direction on earth in a business culture. Seeing the Reformation Father is doing in People, Business, Cities and Nations is totally exciting. We're just doing it with Him in real time.

To All About Jesus

John's Bio

The movement sweeping our nation and the world is tumultuous and planned at the same time. God is pulling the curtain back on a Reformation that touches People, Businesses, Cities, and Nations. It all starts with Sons getting connected with the desires God wrote in your heart and *seeing* the desires in His heart.

John was raised on a cattle ranch in the big sky country of Montana. As a Chemical Engineer, pastor for 13 years who planted two churches, author, speaker, and business coach he still sees the big picture systems from both a prophetic and a practical perspective. John and Sue live in Kennewick, WA and have 4 Kids and 7 grandchildren. John's purpose is scaling Intentional Reformation in the Business Mountain.

Scaling Purpose, People, and Process – *Intentional Reformation*

To: clarify (and being carried by) the purpose Father wrote in hearts and Business,

So that: “Leaders” hear God, build Kingdom Culture, release Ecclesia in their Staff, and have a contagious template for Reformation of **People, Businesses, & Nations**.

With whom: Biz Sons & Daughters who access Father's Council “Seers & Doers”

Scaling God's Power in People - All by Itself the Soil Produces Mk 4:28

Who we help: I help _____ (this kind of client) _____ achieve _____ (this primary end result)

We help business Leaders achieve a clarity of Kingdom purpose that FLOWS and releases God's Favor on their business and their authority as sons.

What's in it for me (WIIFM)?

Would you like to intentionally have a KPI in your business to measure God's favor? Do you want to stay in a secular, soulish, or religious realm or would you like to have a practical assist from the King of Kings that shows up in value, marketing, and cash flow?

Some of our Journey?

- 1) We have 6 books on Amazon that focus on aspects of Kingdom business
- 2) We morphed life coaching to focus on business coaching over the last 5 years to leverage the opportunity to develop culture (Ecclesia) inside businesses.
- 3) I coached the first two businesspeople with hundreds of staff for free to confirm the value, and they both got exciting results and voluntarily wrote me checks for \$5K.
- 4) We have a tribe of businesspeople familiar with our Kingdom Business Vision who meet on Zoom monthly.
- 5) We have 4 other quadrants of expertise, and four outside experts excited to help pull the load in their area.

Why We Do It – Intentional Reformation

My business exists for Intentional Reformation – Create a movement among leaders and fathers to mentor sons into their books, so they can bring Heaven to earth and create value in business to bless people, businesses, and nations. We're scaling Reformation through sons and daughters in business.

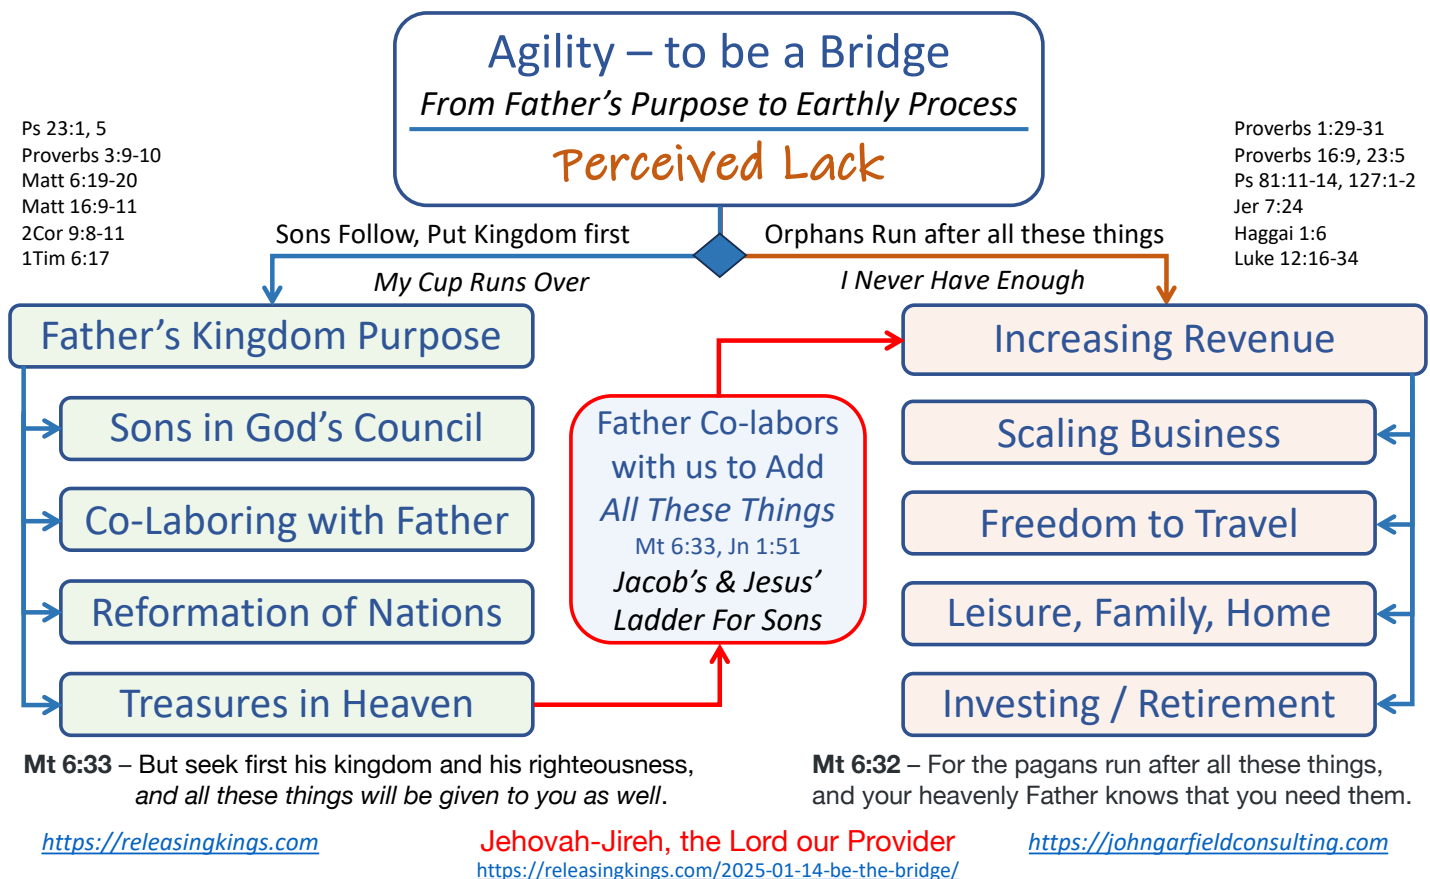

- 1) *What we do?* – Live conferences, business coaching, and interactive courses on Zoom to clarify purpose, access Heaven to open books (Ps. 139:15-16), and implement that purpose in life and business to create value and cash flow.
- 2) *Why do we do it?* – To help people fulfill their heart's desires, Kingdom purpose, and grasp why they are chosen. We see sons and daughters in the Kingdom bringing Heaven to earth. We're helping them experience the courts of Heaven to deal with accusations and to participate in God's Council to hear and see what Father is doing so we can do it with Him (Jn 5:19). We want to give businesspeople full access to Heaven's Courts and Council to open their books and play their role in a Reformation of Nations (Intentionally).
- 3) *For whom do we do it?* – We coach business / entrepreneurial people (difference makers and institutional leaders) who value Biblical spirituality coupled with practical initiatives that get results.
- 4) *Why do we do what we do the way that we do it?* – It takes about six weeks for people to iterate to clarity and get their personal or business purpose in writing with a [Purpose Profile](#). Personal interaction on Zoom with a prophetic facilitator who can hear your heart will get you there.
- 5) *How are we different from others providing this service?* – We see spirituality as a combination of business wisdom and revelation from the Holy Spirit, a conversation with the Spirit of Wisdom. We value prophetic inputs and cash flow at the same time. We don't hide Jesus, yet we don't wear religion or pseudo-spirituality on our sleeves. Practical, credible, experiential, and Biblical spirituality get business results that speak louder than words.
- 6) *Why do we get up in the morning to do this?* – When we help people get clarity on what God wrote in their hearts (find themselves), they fall in love with Jesus, us, and one another. Tribes form, and Ecclesia happens in the business culture around shared purpose.
- 7) *What are we passionate about?* – Co-laboring with Father on Reformation to redeem people, businesses, and nations. We're instilling the *experience* of Kingdom purpose in business cultures and mountains worldwide.

Want to Join the Team?

Once you have clarified your own purpose via conversations in the Council and overcome accusations in the Courts there is another transformation. Now you'll have a prophetic awareness of what other people carry and a Fathering instinct to help them inherit their land.

My experience with coaching people into a prophetically valid kingdom business purpose was very surprising – they love you. And, when I fully understood who they were and what they carry, I loved them back and we ended up with a transparent relationship that lasts a lifetime.

There is a tribe of business leaders and coaches who will share the talent and tools to manifest sons and daughters in the business mountain. They have the spiritual agility to navigate both the spiritual and practical sides of running a Kingdom business as depicted in the clickable graphic.

If this is you, we'll already know one another because of our first offer. Let's chat.
