

2025-12-24 The Eschatology Myth Gap: Waiting for Rapture or Working on Reformation

We're expanding the myth gap between: 1) Zionism justified by futurist eschatology, and 2) sonship, Ascension and Reformation anchored in Preterism that leads to practical reformation. Use material from Sonship, Ascension and Reformation as a resource.

Zionism & Futurism vs. Sonship & Reformation

How Theological Frameworks Create Radically Different Business & Cultural Outcomes

Understanding the Battlefield: Why Eschatology Matters for Business

Perhaps no theological divide creates more practical paralysis—or unlocks more Kingdom power—than the gap between futurist eschatology (which justifies Zionism and passive waiting) versus preterist eschatology (which fuels active Sonship, Ascension, and Reformation). These aren't just competing interpretations of Revelation. They're competing mythologies about what we're supposed to be doing RIGHT NOW in business, culture, and Kingdom advancement.

This gap determines whether Christian business leaders become passive funding mechanisms for church programs or active reformers bringing Heaven to Earth through their enterprises. It determines whether we support the cabal's agenda through theological confusion or expose and defeat it through prophetic clarity.

PART 1: THE ZIONIST-FUTURIST PARADIGM

The Theological Foundation: Dispensationalism

For decades, dispensational eschatology has dominated evangelical thinking, creating the theological infrastructure that supports both political Zionism and passive Christianity. This system teaches:

- **The World is Getting Worse:** Things MUST deteriorate before Christ returns. This creates fatalism: "It is what it is—I'm just stuck. Life is pre-determined; there's no real hope for lasting change."
- **Israel as Prophetic Clock:** The 1948 establishment of political Israel equals biblical prophecy fulfillment. Supporting the modern Israeli state (regardless of its actions) is synonymous with supporting God's plan.
- **The Rapture Escape Plan:** Christians will be evacuated before tribulation gets really bad. This creates short-term thinking: "Why invest in 50-year business plans when we might not have 5?"
- **Temple Rebuilding Required:** Jews must rebuild the temple on Temple Mount for prophecy to be fulfilled—even though this means supporting animal sacrifices that deny Christ's finished work.
- **The Church as Waiting Remnant:** We're not world-changers but world-escapers. Victory means evacuation, not transformation. Don't polish brass on a sinking ship.

The Scofield Reference Bible: Weaponized Theology

The Scofield Reference Bible (first published 1909) was the primary vehicle for inserting Dispensationalist footnotes into American Christianity. Funded by questionable sources, this widely-used study Bible convinced generations that modern Israel equals biblical prophecy fulfillment. As noted in Practical Reformation:

"The Scofield Reference bible used to insert dispensational futurism into Christian Doctrine is a great example. Once you tweak the theology, religious leaders become sponsors of cabal narratives like Zionism."

How Pastors Get Recruited to Zionism

The recruitment of American pastors to Zionist advocacy is systematic and sophisticated:

- All-Expense-Paid "Educational" Trips: Israeli government and pro-Israel organizations sponsor free luxury trips worth \$3,000-\$5,000+ for pastors. Eagles' Wings, CUFI, Kairos Company, and International Fellowship of Christians and Jews (IFCJ) provide VIP treatment, tours of holy sites, meetings with Israeli officials.
- The Indoctrination Model: These trips carefully control what pastors see—Israeli settlements presented as biblical fulfillment, Palestinian perspectives completely excluded, military actions framed as defensive, Old Covenant promises taught as current entitlements.
- Covenant Confusion: Programs deliberately conflate ancient biblical Israel with the modern political state established in 1948—teaching that Romans 11 requires Christians to support Israeli government policy without question, despite that government being largely secular/atheist and rejecting Messiah.
- The Prosperity Gospel Connection: Kenneth Copeland, Benny Hinn, Paula White, Rod Parsley—prominent prosperity preachers who've received multiple free trips preach that blessing Israel (financially supporting the modern state) results in personal financial blessing.
- John Hagee's Empire: Christians United for Israel (CUFI) has over 10 million members, functions as lobbying arm, equates criticism of Israeli government with antisemitism and betrayal of God.
- Holocaust Weaponization: Pastors taken to Yad Vashem Holocaust memorial—legitimate tragedy weaponized to create emotional shield making any criticism of Israeli policy equivalent to Holocaust denial.
- The Temple Institute Obsession: American pastors recruited to support rebuilding the Jewish temple—ignoring that Jesus IS the temple, the veil was torn, animal sacrifices ended—yet millions fund the "synagogue of Satan" Jesus warned about (Rev 2:9 and 3:9).

The Business Impact: Passive Christianity

This Zionist-Futurist theology creates specific business behaviors:

Area	Futurist-Zionist Impact
Investment Horizon	Short-term only: "Why build for 50 years when rapture could happen any day?" Defensive, extractive strategies. Give profits to support Israel/church.
Business Purpose	Funding mechanism for evangelism and church. Business itself is "secular" and temporary. Primary purpose is generating money to send to Israel. <i>Occupy till I come</i> is the futurist mantra that is void of purpose.
Risk Tolerance	Extremely conservative: "Don't take big risks in end times. Play it safe. Things are getting worse." Fear-based decisions.
Cultural Engagement	Withdrawal: "Why fight culture wars when world is doomed? Focus on personal salvation. Don't waste energy reforming business—it's all temporary."
Motivation Source	Urgency ("Time is short!") and Fear ("Things are getting worse!"). Creates anxiety-driven activity and burnout. Guilt-based giving to Israel.
Success Metrics	How many saved? How much funded church/missions/Israel? Did we keep faithful remnant together?

Why This Serves the Cabal's Agenda

Zionist-Futurist theology perfectly serves cabal interests:

- **Creates Passive Christians:** If world must get worse and we'll be raptured out, why resist evil? Why expose corruption? Why fight for reformation? This theology produces compliant populations.
- **Diverts Financial Resources:** Billions in American Christian money flows to Israel annually instead of Kingdom business building or cultural reformation. AIPAC coordinates with evangelical leaders.
- **Prevents Spiritual Discernment:** Can't criticize Israeli government (conflated with God's chosen) even when that government persecutes Christians, operates secular/atheist policies, or participates in cabal operations.
- **Supports "Synagogue of Satan":** American Christians literally fund organizations preparing to rebuild a temple for animal sacrifices—the very thing Hebrews explains Christ ended forever.
- **Neutralizes Kingdom Authority:** Sons who should be bringing Heaven to Earth through business reformation are instead waiting to escape Earth. This removes the primary threat to cabal systems.

PART 2: THE PRETERIST-SONSHIP PARADIGM

The Theological Foundation: Victorious Eschatology

Preterism (from Latin "praeter" meaning "past") teaches that many biblical prophecies—including temple destruction, tribulation, and Old Covenant endings—were fulfilled in AD 70 when Rome destroyed Jerusalem. This isn't about denying Christ's return but about understanding WHEN key prophecies were already completed. This creates radically different theology:

- **Temple Destroyed—Covenant Completed:** The temple's destruction fulfilled Jesus' prophecy (Matthew 24) and ended the Old Covenant system. There's no need or biblical mandate for temple rebuilding. Jesus IS the temple.
- **Israel Restored—IN CHRIST:** *True Israel* is those in Christ (Romans 2:28-29, Galatians 3:28-29). Physical descent from Abraham means nothing without faith in Messiah. The modern political state has no special prophetic status. Rev 2:9 and 3:9 refer to the temple as the synagogue of Satan!
- **New Jerusalem—Spiritual Reality:** The New Jerusalem is the bride of Christ, the Church, coming down from Heaven (Revelation 21). It's not a future political restoration of earthly Jerusalem.
- **The Kingdom is NOW:** Jesus said "the kingdom of God is within you" (Luke 17:21). We're not waiting for a future kingdom—we're expanding the present one through co-laboring sons.
- **Sons Bringing Heaven to Earth:** Romans 8:19 says creation eagerly awaits the REVEALING (not evacuation) of God's sons. We're here to manifest Kingdom reality, not escape from responsibility.

Sonship, Ascension, and Reformation Framework

Preterism in combination with the [Practical Reformation of Nations](#) produces the three-fold progression that defines Kingdom Business that is the subject of John's book, [Sonship, Ascension, and Reformation](#).

1. SONSHIP: Identity Transformation

Moving from servant ("I don't know my master's business") to son ("Father shows me what He's doing"). John 15:15 marks the threshold—sons are included in Father's work, given purpose and destiny.

- Not passive recipients of salvation but active co-laborers
- Connected to Father's heart, seeing His purpose for their business
- Operating from prophetic identity rather than orphan striving
- Authentic self aligned with Kingdom purpose creates sustainable business motivation

2. ASCENSION: Strategy from Heaven's Council

Access to Heaven's Council (not intellectual Bible study alone) where sons receive Living Words, prophetic strategy, and co-laboring anointing. This is WHERE the paradigm shift happens from intellectual Christianity to relational sonship.

"What dawned on me was that both arguments [futurism and preterism] were entirely intellectual. There were no Living Prophetic Words, only intellectual lenses! There was not even a pretense of relationship with the Spirit of Truth or conversations in the Council that include the 7 Spirits!"

This is the critical distinction: Preterism without access to Father's Council is still just an intellectual framework. True reformation requires BOTH sound doctrine AND active Council conversations.

- Hebrews 5:14 "organ of perception" trained through practice to discern good and evil
- Receiving specific prophetic guidance for business decisions, not general principles
- Co-laboring with Father on what He's already doing (John 5:19)
- Living Words that release anointing and authority for "greater works"
- Accessing the Seven Spirits for comprehensive business intelligence

3. REFORMATION: Bringing Heaven to Earth

Sons don't wait for evacuation—they actively reform the seven mountains of culture through their businesses, starting with their own industry. This is PRACTICAL reformation, not eschatological speculation.

- Business as primary Kingdom calling, not funding mechanism
- Discipling employees as sons, not just managing workforce
- Reforming industry practices through Kingdom principles
- Long-term generational building, not short-term extraction
- Exposing and defeating cabal operations in marketplace
- Creating wealth that funds actual reformation (not just church programs)

The Business Impact: Active Kingdom Building

Area	Preterist-Sonship Impact
Investment Horizon	Generational thinking: "Father showed me my business purpose in Council. I'm building for Kingdom impact that outlasts me." Creates legacy, not just profit.
Business Purpose	Primary ministry venue: "My business IS reformation. I'm reforming the business mountain. I'm demonstrating Kingdom economics 40+ hours per week."
Risk Tolerance	Bold initiatives: "Father gave me strategy in Council. Giants are food for us. I'm pioneering breakthrough solutions with Father's power." Faith-based, anointed risk.
Cultural Engagement	Active reformation: "I'm assigned to business mountain. My company shapes culture. My business exposes cabal corruption through righteous commerce."
Motivation Source	Living Words from Council + Co-laboring joy. Creates sustainable, anointed momentum. Overflows rather than exhausts.
Success Metrics	How many sons awakened? How much culture reformed? How much Heaven became visible on Earth? How much cabal influence defeated?

Why This Threatens the Cabal

Preterist-Sonship theology is existential threat to cabal systems:

- **Creates Active Resistance:** Sons don't accept "it must get worse." They expose corruption, break strongholds, and reform systems. They're not waiting to escape—they're here to win.
- **Builds Independent Systems:** Kingdom businesses create economic alternatives to cabal-controlled corporations. Financial resources stay in reformation rather than flowing to compromised institutions.
- **Operates with Spiritual Discernment:** Council-connected sons can discern cabal operations through spiritual perception (Hebrews 5:14). They see through propaganda, psychological operations, and false narratives.
- **Exposes False Theology:** Recognizes modern Israel's political state has no special biblical status. Can critique Israeli government policy without false guilt. Sees through Zionist manipulation.
- **Activates Prophetic Authority:** "Sons operating from the Council with prophetic authority represent an existential threat to their system." This is why cabal attacks anything genuinely supernatural or prophetic.

PART 3: THE PRACTICAL COLLISION

Where the Myth Gap Becomes Visible

The theological divide creates immediately observable differences in how Christian business leaders operate. Here are three scenarios that reveal the gap:

Scenario 1: Economic Downturn Approaches

Futurist-Zionist Response	Preterist-Sonship Response
"This is it—the tribulation is starting! Batten down hatches, cut costs, survive until rapture. Give extra to Israel. Don't take risks. World is ending anyway."	"Father, what are You doing in this season? Show me the opportunity in this shift. What reformation breakthrough can I pioneer now? Where should I invest when others retreat?"

Scenario 2: Corruption Exposed in Industry

Futurist-Zionist Response	Preterist-Sonship Response
"Expected—world is evil and getting worse. Just stay clean personally, don't rock boat, focus on getting people saved. Corruption proves we're in end times."	"This is Isaiah 59:19 moment—when Sons come in like flood in Father's wind, Spirit raises up standard. Father, show me how to expose this corruption and establish righteous alternative."

Scenario 3: Israel-Palestine Conflict Escalates

Futurist-Zionist Response	Preterist-Sonship Response
"Must support Israel no matter what—they're God's chosen! Increase financial giving to Israeli causes. Can't question policies. Genesis 12:3 requires our support!"	"What is Father's heart for ALL peoples in this region? Both Jews and Palestinians need Jesus. The political state of Israel has no special biblical status. What cabal interests benefit from continued warfare?"

Sound Doctrine Produces Relationships: Conversations in the Council

Here's the critical insight from Sonship, Ascension, and Reformation: Father's Sons and Daughters are ascending to the Council, having conversations, and returning with Living Words, Greater Works that bear the fruit of Reformation.

Jn 1:51 – *Very truly I tell you, you will see 'heaven open, and the angels (Messengers, Sons) of God ascending and descending on' the Son of Man.*

Jn 14:2 – *My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you?*
3) *And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.* (Ascending)

Jn 15:4 – *Remain in me, as I also remain in you.*
No branch can bear fruit by itself; it must remain in the vine.
Neither can you bear fruit unless you remain in me.
5) *I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing.*
6) *If you do not remain in me, you are like a branch that is thrown away and withers;*
7) *If you remain in me and my words remain in you, ask whatever you wish, and it will be done for you.*
8) *This is to my Father's glory, that you bear much fruit, showing yourselves to be my disciples.*
9) *As the Father has loved me, so have I loved you. Now remain in my love.*

Many people argue ABOUT eschatology intellectually without ASKING FATHER what He's actually doing. This creates:

- Intellectual Futurism: Defending rapture theology with logical Bible verses but no Council access
- Intellectual Preterism: Arguing for victorious eschatology with historical evidence but no Living Words
- Both Miss the Point: Father wants CONVERSATIONS in the council with sons, not intellectual independence

The solution: Preterism provides a correct theological FRAMEWORK in sound doctrine. Ascension provides actual GUIDANCE, daily bread. Together they produce Reformation led by sons in People, Businesses, Cities, and Nations. Intellectual preterism alone won't reform anything.

PART 4: THE REFORMATION PATH FORWARD

Bridging the Gap Without Creating Division

The goal isn't to attack fellow believers trapped in futurist theology. The goal is to MODEL the fruit of preterist-sonship paradigm so compellingly that others want what we have.

For Those Still in Futurist-Zionist Paradigm:

- **Ask Father Directly:** "Father, what are You doing right now? Am I supposed to wait for evacuation or build for reformation? Show me in Council." You might discover He's not focused on escape plans.
- **Read Romans 8:19 Fresh:** Creation is waiting for sons to MANIFEST (Greek: apokalupsis = unveiled, revealed), not disappear. We're supposed to be revealed on earth, not removed from it.
- **Question Zionist Assumptions:** Does modern Israeli state (secular/atheist, rejecting Jesus) really equal biblical Israel? Does Genesis 12:3 require supporting Israeli government policy? Does temple rebuilding honor Christ?
- **Examine the Fruit:** Has futurist theology produced reformation in your business? Cultural transformation? Or has it created maintenance-mode Christianity focused on survival and escape?
- **Test Council Access:** Ascend and ASK Father about your business. See if He gives prophetic strategy, Living Words, and reformation assignments. Compare intellectual study with actual Council conversations.

For Those Awakening to Preterist-Sonship:

- **Don't Just Win Arguments:** Intellectual preterism alone won't transform anything. Must combine correct framework WITH Council access WITH actual reformation building.
- **Model the Fruit:** Build businesses that transform industries. Disciple employees as sons. Demonstrate undeniable Kingdom impact. Let evidence speak louder than arguments.
- **Avoid Spiritual Pride:** Those in futurist paradigm aren't stupid or less spiritual—they're operating on framework they were taught. Show grace while demonstrating better way.
- **Focus on Positive Vision:** Sonship, Ascension, and Reformation is Isaiah 61 good news story that is very positive. Lead with hope and possibility, not just critique of old paradigm.
- **Expose Cabal Operations:** Use your businesses to demonstrate Kingdom economics that exposes and defeats cabal systems. This is practical reformation, not theological debate.

The Business Opportunity in the Gap

This eschatology divide reveals who will build the businesses that define the next era. Those building from preterist-sonship framework will:

- Pioneer breakthrough innovations others fear to attempt
- Build generational companies with 50-100 year vision
- Reform entire industries through Kingdom principles
- Disciple hundreds/thousands of employees as sons
- Create massive wealth through righteous commerce
- Expose and defeat cabal operations in marketplace
- Store treasures (awakened sons) in heaven through business
- Demonstrate that Kingdom business outperforms secular competition
- Prove reformation theology through visible, measurable results

Meanwhile, those waiting for rapture will build maintenance-mode businesses that miss the reformation entirely. They'll fund cabal systems through theological confusion while genuine Kingdom builders reshape entire industries.

Practical Steps for Reformation Business Leaders

1. Establish Council Access

Regular ascension to receive Living Words, prophetic strategy, and co-laboring anointing. This isn't optional—it's THE distinctive that separates reformation business from Christian business-as-usual.

2. Develop Spiritual Intelligence

Train your Hebrews 5:14 "organ of perception" to discern cabal operations, false narratives, and spiritual deception in marketplace. Your spirit can see what intellect cannot prove.

3. Build for Generational Impact

Ask Father for 50-100 year vision for your business. What reformation could your company accomplish over multiple generations? Build infrastructure and culture that outlasts you.

4. Disciple Employees as Sons

Don't just manage workforce—awaken sons to their identity and purpose. Your business becomes primary discipleship venue, not just funding mechanism for church programs.

5. Expose Cabal Operations

Use your industry position to shine light on corruption, pharmaceutical manipulation, media deception, or whatever cabal operations touch your mountain. Isaiah 59:19 sons put evil to flight.

6. Create Kingdom Economics

Demonstrate business models that bless employees, serve customers excellently, reform industry practices, AND generate significant wealth. Prove Kingdom principles outperform secular competition.

7. Connect with Other Reformation Builders

You're not alone. Sons everywhere are awakening to this paradigm. Find your tribe. Co-labor on greater works. Share strategies, celebrate victories, support each other's assignments.

CONCLUSION: The Ultimate Irony

American pastors recruited to Zionism support:

- Rebuilding a temple for animal sacrifices that deny Christ's finished work
- A political state that rejects Jesus as Messiah
- Secular/atheist government policies in name of "biblical prophecy"
- The "synagogue of Satan" Jesus warned about (Revelation 3:9)
- Endless Middle East conflicts that serve cabal war profiteering
- Theological framework that keeps Christians passive and waiting

...all while millions of Christians in Middle East (including Palestinian believers) suffer, ignored because they don't fit the Zionist narrative.

Meanwhile, sons awakened to preterism realize:

- Temple was destroyed—Old Covenant ended—Christ is the temple
- True Israel is those in Christ, regardless of ethnicity
- We're not waiting to escape but here to reform
- Council access gives us prophetic advantage cabal cannot match
- Our businesses can demonstrate Kingdom reality that transforms culture
- We're Isaiah 59:19 flood putting evil to flight through righteous commerce
- Father's doing reformation through sons, not evacuation of remnant

The Invitation

Sons emerging from this myth gap are hearing Father say:

"I'm not evacuating My family—I'm expanding My Kingdom through them. You're not escaping earth—you're reforming it. Build as if you have centuries, because this reformation is just beginning. The best is yet to come.

"Stop funding the synagogue of Satan in name of prophecy. Stop waiting for tribulation. Stop letting theologians tell you what to believe without asking Me directly.

"Ascend to My Council. Receive Living Words. Co-labor on greater works. Reform your mountain. Expose cabal corruption. Awaken employees as sons. Build generational Kingdom businesses.

"I'm not coming back to evacuate you—I'm coming back to a Reformed Earth that My sons prepared. Make earth look like heaven. That's your assignment. That's why you're still here.

"The question isn't WHEN I'm returning. The question is WHAT ARE YOU BUILDING while you wait? Will you escape or will you reform? Will you fund cabal systems through theological confusion or defeat them through prophetic business?

"Choose reformation. Choose sonship. You will see Heaven open, Now!"

That's the eschatology worth building on.

That's the business paradigm that reforms nations.

That's the myth gap that separates maintenance from multiplication.

Welcome to the Reformation.

SUMMARY: The Practical Bottom Line

Futurist-Zionist theology creates passive Christians who fund cabal systems, support unbiblical temple rebuilding, build short-term maintenance businesses, and wait for evacuation. This serves the cabal's agenda perfectly by neutralizing Kingdom authority and diverting billions to political Israel.

Preterist-Sonship theology (when combined with Council access) creates active reformers who expose cabal operations, recognize false theology, build generational Kingdom businesses, operate with prophetic discernment, and bring Heaven to Earth through seven mountain transformation.

The myth gap isn't just theological—it's the difference between funding evil and defeating it, between waiting to escape and building to reform, between Christian business and Kingdom business.

Choose your paradigm carefully. It determines everything.
