

[Intro video](#) – Spiritual awakening is a fact of life born out in history and the Bible. There is a spiritual slumber caused by the reigning psyop's in every generation. The trademark of deception is comfort and lukewarm lethargy. The awake are stirred. The deceived are passive, content with the status quo.

**Rom 13:11** – *And do this, understanding the present time:*

*The hour has already come for you to wake up from your slumber,  
because our salvation is nearer now than when we first believed.*

12) *The night is nearly over; the day is almost here.*

*So let us put aside the deeds of darkness and put on the armor of light.*

**Eph 5:14** – *Wake up, sleeper, rise from the dead, and Christ will shine on you.*

**1Thess 5:6** – *So then, let us not be like others, who are asleep, but let us be awake and sober.*

**2Cor 4:4** – *The god of this age has blinded the minds of unbelievers, so that they cannot see..*

There are three basic need areas of awakening that naturally inspire sonship. The links are interesting (eye-opening) articles that expand on these three themes (Recommended Reading!)

- 1) [Practical Reformation](#): Seeing the cabal influence in every mountain
  - a. Awakening looks at the psyop we have all accepted and says, "This is not right!"
  - b. There is a Spirit-led uprising; God is opening a window to fix it for our children.
- 2) [The Cyrus Effect](#): Trump Accomplishments
  - a. Here awakening begins to see the political wind-shift in Nations, a movement
  - b. The realization that our president is an Isa 45 template for sonship around the world
  - c. The Cyrus anointing is empowered by God to expose the cabal and to set Nations free
- 3) [The Eschatology Myth Gap](#) – The end of Rapture Theology: Dispensationalism
  - a. Awakening is an awareness that the rapture isn't real (or true)
  - b. That Zionism is a lie, that God's chosen people don't live in the state of Israel  
(Does it make sense to rebuild the synagogue of Satan and reinstitute sacrifices?)
  - c. That Preterism is Sound Doctrine that gets believers out of Pacifism, Deception

**Preterism, Ascension, and Reformation are inspirational predecessors for Sonship.**

**Pioneering Sonship** – Most believers are not yet awake to sonship, while the firstfruits are swimming in it and having a great time. Sonship is an ***experience in ascension*** rooted in sound doctrine, not an intellectual argument about theology. It's being present in your seat in heaven and bringing Father's strategies for Reformation to earth; not just mysticism – it's what Jesus did! It's the greater works he said Sons and Daughters (brothers and sisters) would do.

**Jn 5:19** – *The Son can do nothing by himself; he can do only what he sees his Father doing,  
because whatever the Father does the Son also does.*

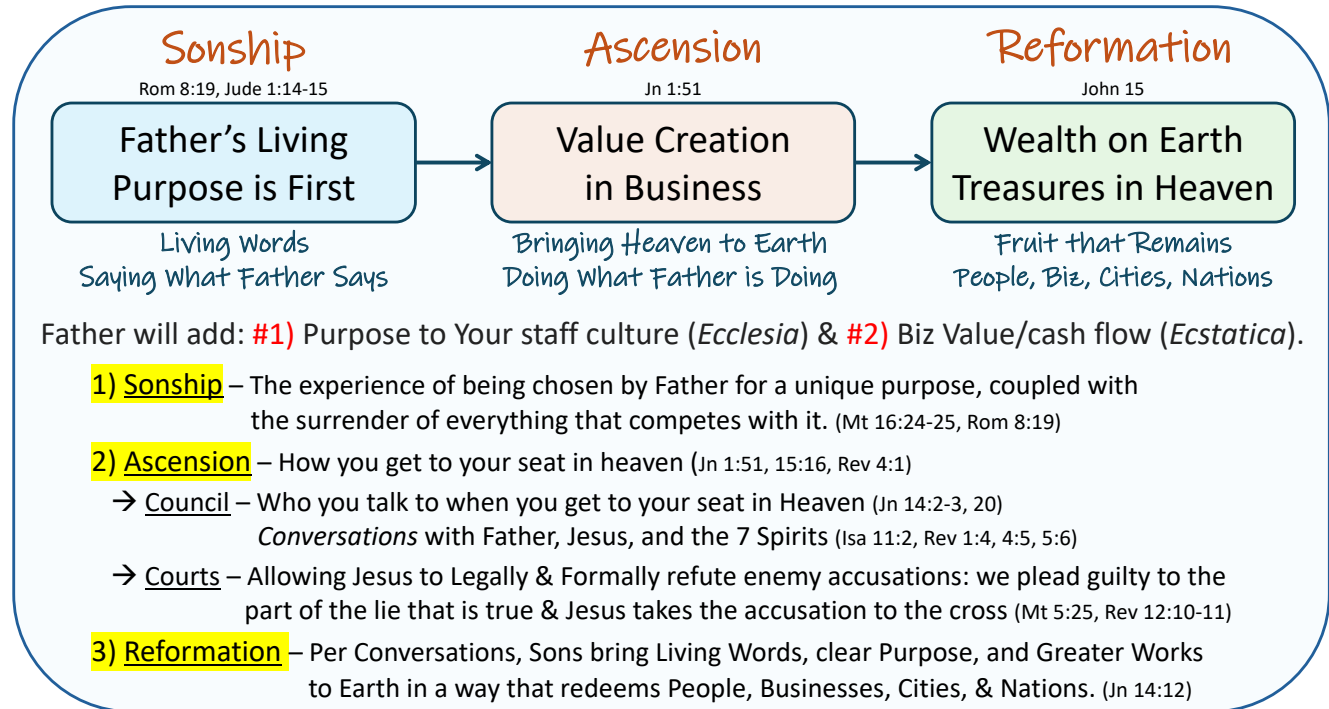

20) *For the Father loves the Son and shows him all he does. (Implies a Seer Gift)  
Yes, and he will show him even greater works than these, so that you will be amazed.*

**Jn 14:12** – *whoever believes in me will do the works I have been doing,  
and they will do even greater things than these, because I am going to the Father.*

**Heb 2:11** – *So Jesus is not ashamed to call them brothers and sisters.*

**The Movement** – Part of the reason for the excitement is that Sonship is a movement of God's Spirit that leads to a practical Reformation of People, Businesses, Cities, and Nations. Sons and Daughters are connecting with the desires God wrote in their hearts and becoming integral and genuine. Conversations in the Council lead to fruit in Business, or whatever mountain they minister in.

They have put the Kingdom first, they are on the same page with Father (righteousness), and He is adding miraculous favor, Mt 6:33. It's fun to get out of religion, become your authentic self, and contribute to what Father is doing in the earth (Conversations in Heaven and Co-laboring on Earth turn Living Words into Greater Works).
