

## John's Business Aspirations ([Intro Video](#))

Sue and I went through a financial collapse that nearly ended in bankruptcy in 2012. It turned out to have a silver lining that made losing the \$2M totally worthwhile!

You too have been through similar tragedies that took the wind out of your sails. Yet, you survived. Maybe we both walk with a bit of limp after? *Sons resurrect from losses and multiply from victories.*

Even though I was a believing Christian, my prior philosophy was, #1) *have fun*, #2) *make money*, and #3) *love people*. I really was blessed, but it was all about me, my dreams, my desires, my ministry, my business, my money, and my generosity. I had all the verses to prove it. ☺

### From All About Me

**Secular and Christian business** culture is nearly always built on money, dreams coming true, and personal excellence. We're awash in *a culture of self*. Putting self-first is considered healthy!

**The questions we miss** on the *all-about-me hamster wheel* are:

- 1) What is the desire on Father's heart? What is he doing? What is Kingdom Purpose?
- 2) How do we create true riches on earth and store treasures in Heaven?
- 3) Instead of bigger barns, how do we create self-sustaining *fruit that remains* in business?

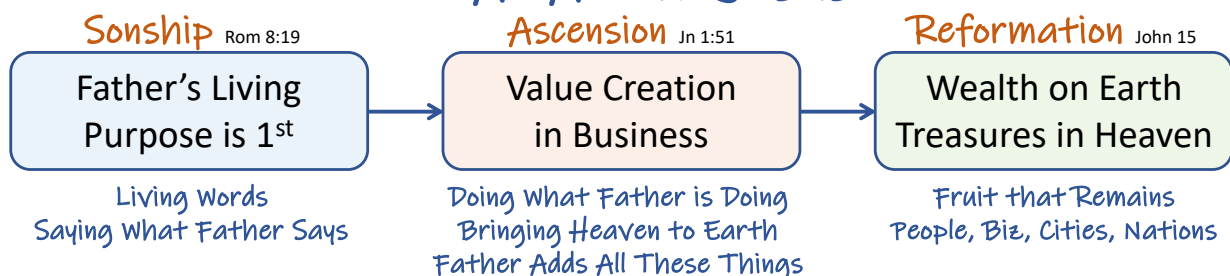

**Could I share the simple secret?** Instead of putting me first, we intentionally put Father first. Here's the reason why – *it's good for business!*

*For whoever wants to save their life will lose it,  
but whoever loses their life for me will find it.* Mt 16:25

**I had a narcissistic collapse** that saved my life and business! Instead of doing my thing, I'm intentionally doing what Father is doing. Now God is a key part of my business team. His plans turn out to be a big improvement over mine alone – they work better, far better! We even have a process to help you go beyond all you could ask or imagine in your Kingdom Business! That process flows from:

- 1) Sonship - *sons feel chosen* to put Kingdom first, they are on same page with Father
- 2) Ascension (Creating Value by doing what Father is doing & bringing Heaven to Earth in Biz)
- 3) Reformation You are clear on your distinct role, yet see the big picture,  
(You can see Father moving on 4 levels: People, Business, Cities, and Nations)

1. Create Value – Business coaching, Purpose Profiles, Marketing Intentional Reformation. We’re helping sons get in touch with their own hearts and Father’s heart via [Sonship, Ascension, and Reformation](#).

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We have coached Biz Owners/Leaders and changed business cultures. We help them discover and release their hearts and have many relationships as a result.	It feels good to release sons into their destiny. They come up with new initiatives, ideas, opportunities. We see their fresh wind, how they will take it further.	Balance marketing & Networking. Leverage client progress as the fruit of what Father is doing in sons. Tell the stories of breakthrough.

2. Create Value – Build the business Tribe via Partneurs with Purpose: provide cutting edge prophetic, Kingdom leadership that makes a measurable difference for them. Provide a fellowship of other sons on the same path for collaboration, encouragement, and business networking.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
Other tribes are infused with sonship, Courts, and Council and led by relational affiliates. We’re supporting them.	We’ve found key biz people, unlocked their books, and introduced them to the Council. God has positioned them in their Mountain and Nations.	Collaborate with partners, affiliates, and friends to streamline the approach to Intentional Reformation. Father is leading it.

3. Create Value – Video/Blog - Sonship, Courts, Council, Reformation - We’re multiplying sons who ascend and bring Kingdom to earth in Biz. Helping people experience Sonship, Ascension, and Reformation. Helping businesspeople translate living words from the Council to Reformation in their business.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
What used to be theologically questionable is now mainstream and mature in the business Mtn. God is talking, working through His sons to do greater works.	We’ve taught businesspeople how to ascend and have conversations in the Council that include the 7 Spirits. They are bringing back exploits and vision that is practical.	We find the first fruits, the ripe fruit and work with those ready to move. We’re integrating Council sessions, Blog themes, and the Face Book lives to model <i>Living Words</i> from Father.

4. Create Value – Investing in Purpose, People, Movement, Stocks – I love seeing Father’s hand and getting on board with His spirit... flowing with it, co-laboring with it, investing in it.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
I’ve invested in people, clarifying their purpose and watching them blossom. I’m seeing my paths flourish; multiplying in business, movements, purpose, investments.	It feels really good to “follow the Lamb” and” 1) release what Father can add for His Name’s sake (Ps 23:3) 2) to release what I can create, contribute, co-labor with.	Watch for trends, Prospects, Stirring Grow in Following the Lamb (Agility) Adding Value to Father’s purpose Release it on earth

5. Technology, Tools, and Systems – Nail your purpose field guide, Purpose Profile Coaching including aspirations, 7-Spirit Profiles, Story/SOS, Offers, and Business Aspirations are building sonship.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
Many sons are in the council and have a clear purpose profile, aspirations and celebrate their story. Father’s prophetic purpose is in writing and it’s exciting.	We’ve made ascending and conversations in the Council with Father, Jesus & 7 Spirits safe for engineers!!! It works, people love it, use it, disciple their sons with it.	We continue to knock on the door of apps, AI, Networks to be faithful with what Father has shown; helpful for people He’s led us to.

6. Technology, Tools, and Systems – [Kingdom Biz Culture Field Guide](#), Ecclesia@Work – We connect individual hearts with the goal of developing a business culture where leaders can see the hearts of others.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We’ve used the Course, developed 1-on-1 templates that include Courts/Council, leveraged engagement assessments via 1-on-1’s and seen the fruit – Ecclesia@Work	It feels really good to have sound theology plus a practical roadmaps and templates to help people experience Heaven and bring Kingdom to Earth. It’s exciting to play a part.	People have grasped the concept of sonship and Kingdom Culture. Businesses are innovating new ways to help pull sons into their hearts.

7. Technology, Tools, and Systems – [Council Session Template](#), [7-Spirit Profile Guide](#) – We’ve created templates that help people stay focused on hearing from Father, Jesus, and the 7-Spirits. We use prophetic experiences and [practical templates](#) to develop “ears to hear” and “eyes to see (Seer gifts).”

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We’ve created templates to guide people through a Council session with help and then on their own. We’re creating sons, not codependence.	We get to introduce sons and daughters to their seat in the Council; their role in the Kingdom; their strategy to break accusations in the Courts of Heaven. They experience the reality and impact of ascension and bringing something back.	Find the strategic leaders and invite them to experience it, then instill in their staff, business culture.

8. Technology, Tools, and Systems – Biz Purpose Profile & Aspirations → Biz Plan/Cash Flow – After personal profiles and aspirations we’re going after the business purpose in a profile with Aspirations that marry up with a business plan and Cash Flow.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We’ve helped businesses clarify their prophetic mission to inspire investors, staff and clients to engage. We’ve found creative ways to embed Father’s purpose in business plans and cultures.	It’s gratifying to see BankWyse gain progress on Funding by communicating their own prophetic purpose in a business Reformation context that others can pick up on.	Offer a Business Profile/Aspiration as a logical next step for every Biz Son

9. Culture, Purpose is known and alive – Sons, Prophets, Priests & Kings in Heaven’s [Courts](#) & [Council](#).

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We’ve instilled in business managers the lifestyle of being in the Courts and Council to “go before” and manage the spiritual climate in their business.	Leaders who have connected hearts and access to the Council “stand out.” They feel like arrows shot from the heart of Father.	We continue to articulate what we get from the council in the blog and to our tribe. It’s alive, feels like we are keeping in step with Father, 7 spirits.

10. Culture, Purpose is known and alive – [Purpose Profiles](#) + [Engagement Profiles](#) via 1-on-1’s – We develop 1-on-1’s internal to the business that produce purpose profiles that are mentored with engagement assessments and relational conversations from the internal management staff.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We linked the role of 1-on-1’s with Kingdom culture. They naturally produce purpose profiles; the health of 1-on-1’s are seen in engagement assessments; adjustments are made to connect hearts.	People love co-laboring on clear Kingdom Purpose in an Ecclesia. The presence of God is there. Sons are exuberant, doing exploits, celebrating victories and supporting one another.	We’re raising the visibility of 1-on-1’s. Showing them as the means to purpose and aspirations, using Courts and Council with sons to get there.

11. Culture, Purpose is known and alive – The biz Culture naturally grows Sons, Prophets, Priests, and Kings. We clarify the track to sonship and the milestones to get there so that it’s easy to achieve.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
The sons all creation has been waiting for are clearly “operational.” They are occupying mountain tops and replacing fallen sons, powers, and principalities. We have mentored our share to their exploits	Seeing the exploits of these sons exceeds all that we could ask or imagine. Reformation of nations is within reach.	We’re working with business cultures one at a time “and” trumpeting the theology, lifestyle, and templates that roll out the red carpet for son’s growth in business.

12. Culture, Purpose is known and alive – Ecclesia, Sons sharing purpose, exploits, Mighty Men of God. We’re incubating the Ecclesia@Work Concept. We have 40 hours a week to make disciples/Sons.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
There are many healthy examples of businesses intentionally targeting Reformation by developing sons, being in sync with their purpose; what Father is doing.	It feels like Reformation is achievable, the lifestyle of co-laboring with Father is real and fruitful. Our hearts are satisfied, filled with gratitude for Father calling us to this role.	We’re doing video testimonials that target the <a href="#">progression to sonship</a> in a business. They flag the connection between <a href="#">Operational Excellence and Relational Connection</a> .

13. Partnering for Reformation via Kingdom Biz Culture – Kingdom Business Coaching, Workshops – We’re conducting introductory workshops for individual companies, and training coaches to work internally.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We’re keeping in step with a movement, Supporting Businesses internationally. There is an awakening to Sonship and we have started exciting fires.	Businesspeople are hungry to be part of Kingdom. Helping them connect with their unique purpose and exploits. Hearing Father tell them <i>well done</i> is thrilling.	We’re networking with every open-door for teaming & collaboration Father shows.

14. Partnering for Reformation via Kingdom Biz Culture – Model Decentralization; Ecosystem Coops – Making room for Sons in their mountains to have their influence is concept of decentralization. We’re replacing powers and principalities (and corrupt systems) with Sonship, boots on the ground.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We’re partnering with people like Tobe to press for Decentralization (sons rising up) in things like food supply chains and city governments. Other cities have adopted Tobe’s model; We’re marketing the concept	Seeing business, the chamber of commerce, city governments catch the vision for decentralization (inheriting their purpose) is thrilling.	Tobe is creating the template in Lewiston, we’re helping him create the experiential templates for Kingdom Business Culture that can be exported to sister cities.

15. Partnering for Reformation via Kingdom Biz Culture – Tribes Who Carry Sonship & Reformation – We’re working within the business mountain to establish clear purpose then share then engage the staff to make Ecclesia@Work a practical reality.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
BankWyse caught the vision and is migrating the practices of sonship and Reformation through their network. It started with Justin, now it’s 100’s.	It’s fun to see business express a desire to model the same culture and yield similar fruit in their industry/mountain.	Justin and John are collaborating on laying a sonship foundation in the staff during the startup and hiring phase.

16. Partnering for Reformation via Kingdom Biz Culture – Reformation in Netherlands, Egypt, Poland – Sonship, Ascension, Reformation has an expression in every nation. We’re knocking on those doors.

Goals – where will I be (Looking back from future)	“Emotional Why” (How it will feel?) “Vision” - what does it look like?	What’s the Next Step? How is Father Leading, doing?
We have found key leaders open to sonship and equipped them in Courts and Council; stood with them in their purpose to bring Reformation to other Nations.	When the sonship spreads through open doors and open hearts, we feel the wind of Heaven. Europe and the middle East are being set free.	We are faithful to help sons experience hearing Father in the council. Releasing their seer gift to see what He is doing.
