The Truth is Like a Lion

The truth is like a lion. You do not need to defend it. Let it loose; it will defend itself. (Augustine)
The Spirit of Truth doesn't need to be defended, and it cannot be refuted.

Acts 6:7 – *But they could not stand up against the wisdom the Spirit gave him as he spoke.*

Truth is not fragile. It doesn't need to be propped up, shielded, or won through debate. It is propagated by Sons in the Courts and Council via Ascending and Descending (Jn 1:51).

- Sons ascend with accusations to the Courts of Heaven for judgement, redemption
- And descend with Decrees that replace them with Living Words from Father

2Cor 10:3 – *For though we live in the world, we do not wage war as the world does.*

4) *The weapons we fight with are not the weapons of the world.*

On the contrary, they have divine power to demolish strongholds.

5) ***We demolish arguments and every pretension***

that sets itself up against the knowledge of God,

and we take captive every thought to make it obedient to Christ.

The Word is Alive and Self-Sustaining

Hebrews 4:12 — *"For the word of God is living and active, sharper than any two-edged sword..."* The Word doesn't need defending or debate; it is itself a weapon.

Isaiah 55:11 — *"So shall my word be that goes out from my mouth; it shall not return to me empty, but it shall accomplish that which I purpose."*

Lu 5:5 – *Master, we toiled all night and took nothing! But at your word I will let down the nets.*

Truth Cannot Be Contained or Defeated

Jeremiah 20:9 — *"...there is in my heart as it were a burning fire shut up in my bones, and I am weary with holding it in, and I cannot."* Truth has an internal force that breaks free regardless.

2Tim 2:9 — *"...the word of God is not bound."* Even when Paul was in chains, he noted that the Word itself was never imprisoned.

The Nature of Truth to Produce Fruit and Multiply

Mark 4:26–29 — A man scatters seed and sleeps; *"the earth produces by itself."* The Kingdom truth grows by its own life principle, not by constant human management.

John 16:13 — *"When the Spirit of truth comes, he will guide you into all the truth."* The Holy Spirit is the ultimate advocate and defender of truth — not us.

Acts 6:7 – *And the word of God continued to increase, and the number of the disciples multiplied greatly in Jerusalem, and a great many of the priests became obedient to the faith.*

Acts 12:24 – *But the word of God increased and multiplied.*

Sons decree Living Words; Father Adds with Signs Following

Romans 1:16 — *"For I am not ashamed of the gospel, for it is the power of God for salvation..."* Paul's confidence wasn't in his rhetoric but in the **inherent power** of Living Words.

1 Corinthians 2:1–4 — Paul deliberately came *"not with eloquence or human wisdom"* — trusting the Spirit's demonstration over clever defense.

I follow this [facebook page](#) by Dan Maines. Messaged him a few times.

It's a theological foundation for Preterism that is very well done... on the Heiser level.

It's very cerebral... *Sola scriptura* (Latin for "Scripture alone"); ...Could be more relevant to current issues. Might be interesting for Phil?

(that Jesus himself destroyed the temple and Jerusalem in 70AD, via the Roman invasion)

I find all this (Preterism) relevant as the theological anecdote for Zionism, dispensationalism, rapture, Schofield, etc.

Partial preterism appears to be a sales gimmick to continue the deception in Zionism.

(Sons aren't waiting for Jesus, they are co-laboring with Father on a Reformation of Nations now).

- It's starting to feel like the cabal infiltrated many religions (leveraging them for control)
 - Christianity (Dispensationalism via Schofield to justify zionism = the cabal cover)
 - Judaism (all the crazy stuff in the talmud, *Chosen people* deception, right to land, "jewish" cover for Cabal)
 - Muslim mullahs replacing communism with Islam as a means of violently controlling populations (Iran is a perfect example)
- The line between the cabal and the devil is blurred for me (Child trafficking, Epstein, Satan worship, etc.)
- While is pretty easy to see people like Soros, Obama, Bush family as planted puppets controlled by "masters"
- Easy to see most of congress purchased by AIPAC (Cruz and Huckabee are a joke; thank you Tucker)
- Easy to see the cabal funding and motivating both sides of the same wars (for 300 years)
- I find it odd that people like Tucker, Megyn, Joe Rogan, and Candice aren't seeing the Cabal influence yet
 - Discovering the truth, but still playing D's vs R's;
 - Still sowing discord instead of finding the common ground that unites us
 - Throwing rocks at Cyrus???
- Also find it odd that 5-fold ministers are AWOL during this whole season of exposure and Reformation
