

## The Sonship Avatar (Is this you?)

**Who I Am** – I'm a Christian business leader who has achieved some level of success, but honestly, I feel trapped in what I can only describe as "Sanctified Self-Reliance" – the business grind that never ends. I'm not a beginner looking to start my first venture. I've built something real, I am real. But I'm performing, exhausted, a bit frustrated, and I feel like there must be more.

**What I Want** – I'm seeking a progression to sonship. I want to transition from traditional Christian business practices to true Kingdom business. Specifically, I want:

- **Purpose and meaning** - a compelling "why" that people want to buy because it resonates.
- **Freedom** from the weeds and machinery of the business grind that's consuming me. This should be fun!
- **Authentic connection** between my faith and my business (not just Bible verses on the wall or prayer before meetings). I want to be fluent in Heaven's Courts and Council and have a business culture where it's a normal part of spiritual warfare and conversations with Father.
- **The experience of hearing God** doing what He is doing and saying what He is saying in my business - really experiencing it and seeing the fruit, not just believing it's possible.
- **Transformation** from recipes, rules, and discipline to Living Words and tangible results.
- **A path that leads to Father saying "Well done"** – not just worldly success.

**Why I Want It** – Several deep motivations are driving me:

**#1). I feel unseen and disconnected** – I've been operating from values, principles, and discipline, but I lack the joy of truly co-laboring with Father. I feel like an orphan in NYC fending for myself.

**#2). I sense there's more** – I've achieved business success (and failure), but I recognize something fundamental is missing. I want both business results *AND* spiritual alignment with my Father. I'm tired of feeling like I have to choose between them. I want to be His son.

**#3). I'm tired of manipulation** – I've been burned by "turn and burn" marketing tactics. I want authentic, prophetic coaching from someone (a friend) who sees my heart and has my back; who truly understands my Kingdom purpose, not someone putting me on a self-improvement track.

**#4). I want conviction and clarity** – I can sense when I'm not fully convicted about what I'm doing, and it shows in my marketing and leadership. I want to stand behind my work with integrity and enthusiasm because what I'm doing is prophetically connected with what Father is doing.

**#5). I want what Father can add** – I want the experience of alignment with Father, not as religious limitation, but as the business key to release what He can add. I want to express my prophetic Kingdom purpose in my Business offer so it's compelling, it resonates with staff and clients.

### What I'm Avoiding

I desperately want to avoid "one more delusional, religious scam that wastes my time and money." I'm skeptical of spiritual business coaching that's just "feel-good fluff" without real business results. I need something that works in the real world.

### Transformation to *Here Am I, Send Me*

I need to move from flawed to flowing – from running on the Human Potential hamster wheel of copying tactics that work for others to co-laboring with Father's Purpose in His anointing, bringing Heaven to earth, translating Living Words to Greater Works in my Kingdom business, playing my role in a Reformation of People, Businesses, Cities, and Nations. That's what my heart is crying out for, to make a Kingdom contribution, and to celebrate the victories with a tribe of sons and daughters who "get Kingdom."

# Take the Next Step:

**Progression to Sonship** – Your Kingdom purpose and redemptive stories form the basis for your personal identity, purpose, value creation, and your business offer. Becoming your authentic self is the Father’s non-religious key to flow and fruit in business and life. We offer practical and prophetic coaching to help you get there, flowing with your Father (co-laboring) instead of fighting circumstances and resistance alone.

# 11 Motivations for Sonship in Business

## Biblical Foundation: We're Designed for This

**Eph 4:12** - *Equipping the saints for the work of the ministry* (via Sonship, Ascension, and Reformation)

**Rom 8:19** - *All creation is waiting for the revealing of the sons of God*

**Ps 2:8** - *Ask of me, and I will make the nations your inheritance, the ends of the earth your possession*

### 1. DESIGNED FOR HEROISM

---

- **We're wired for exploits** - Sons carry an anointing for valor that reminds us of David's mighty men
- **Natural courage** - It's natural for me to be heroic, an overcomer (Spirit of Might - Resurrection Life)
- **We don't back down from difficulties** - We reign with Father on earth
- **Designed to do something great with our Father** - Before, we were led and shown; now we volunteer and take initiative
- **It's an invitation to a banquet that sons don't want to miss** because it is both fun and fulfilling

### 2. INVITED INTO FATHER'S HEART (Your Own Heart's Desires)

---

- **Discovery of DNA design** - Being authentic with their DNA and design (what God wrote in your heart)
- **The desires of their heart** - The question God asked Solomon: "What would you have me do for you?" (2 Chron 1:7-11, Mt 7:7-8)
- **Your own prophetic calling to sonship** – People are interested in their own calling, not mine!
- **Being yourself - it's fun!** - My heart and business align; I can be myself; authenticity and transparency are trademarks of sonship.
- **"I was born for this"** - Your dream will carry you through thrilling successes and tumultuous warfare, either is OK because it's not about me! I have a higher purpose in Jesus!
- **Getting connected with the purpose God wrote in your heart unlocks the lion** it takes to make your dream come true
- **Identity alignment** - We work not just to achieve goals but to sync with Kingdom Purpose (Eph 2:10)

### 3. INVITED INTO A MOVEMENT OF SONS (Reformation)

---

- **Father reforming People, Businesses, Cities, and Nations** via Sons and Daughters
- **Repopulating Father's Council** - Replacing the fallen sons with sons who bring Heaven to Earth. We are those sons all creation has been waiting for, when we ascend.
- **Part of the big picture** - Seeing my role in the context of what Father is doing worldwide is exhilarating
- **Nations are our inheritance** - Ps 2:8 - I want a piece of the action
- **Reformation instead of just revival** - Intentional Reformation of Nations via Father working through his sons is the good news of the great commission
- **Movement on four levels** - Personal, Business, Cities, and Nations - we're all wired to ignite when we see the wind of heaven. We are the Ezekiel 37 army being assembled.
- **It's a movement; much bigger than I** - We're excited to be a part and to release Father's heart to many
- **Creating a climate free of deception** where people can choose God without compulsion

## 4. CO-LABORING WITH FATHER (Living Words → Greater Works)

---

- **Living Words from Heaven to Earth** - Say what Father is saying (Jn 12:49)
- **Greater Works** - Do what Father is doing (Jn 5:19, 14:12)
- **Seers and Doers** - Sons turn conversations in Heaven into Greater Works on Earth
- **Co-laboring together, the victories and warfare** - Father revealed His heart of love for this
- **Releasing what God can do** vs. releasing my potential
- **Sustainable drive** - Our fuel isn't willpower alone but the anointing from co-laboring with Father (Phil 2:13)
- **Sons release creativity and initiative** in their own hearts
- **Sons release Father's power (Dunamis)** and receive what He can add on a miraculous level
- **Soaring on eagle's wings** - It's the feeling of outside energy; Kingdom has flow (Isa 40:31)

## 5. ACCESS TO HEAVEN'S COUNCIL

---

- **Conversations with Father, Jesus, and 7 Spirits** - Each Spirit brings another facet of Father's heart, another anointing
- **The Council felt like home!** - Father leading a family, not solitary sovereign
- **A wonderful privilege to be included** in the strategies carried by the Spirit of Wisdom and Father's tactics
- **Occupy my seat in heaven** - It felt like an insult not to; with my name on it (Ps 23:5, Jn 14:2-3)
- **Contend for Nations** - Playing our role in spiritual warfare over nations
- **Fluent in Courts and Council** - Legally and practically refute demonic accusations, release Father's prophetic decrees
- **9 Conversations that transform** - Identity, Story, Purpose, Strategy, Tactics, Heritage, Courage, Clarity, Culture
- **Keys of the Kingdom** - Whatever you bind/loose on earth has been bound/loosed in heaven (Mt 16:19-20)

## 6. TREASURES IN HEAVEN (Eternal ROI)

---

- **Store treasures in Heaven** - Beyond financial or worldly success (Mt 6:19-21)
- **Those treasures are people** - The things we do for them, and the difference we make, the sons and daughters whose hearts we release.
- **Follow the Lamb, not just the money** - Intentional about storing treasures in Heaven
- **Fruit that remains** - Self-sustaining fruit in business, not bigger barns. A staff motivated from the heart around enthusiasm for shared Kingdom Purpose (Ecclesia)
- **Sons in the Kingdom** - Multiplying sons, discipling nations. Viral Reformation.
- **Eternal ROI** - Our work stores treasure beyond financial success
- **Hundredfold in this life** and the life to come (He is no fool who gives what he cannot keep, to gain what he cannot lose - Jim Elliot)

## 7. FUN, FLOW, AND FULFILLMENT

---

- **It's fun!** - Shared purpose is the engine of Ecclesia that is contagious
- **Kingdom culture is fun!** - Kingdom is a lot of fun, and it bears a lot of fruit
- **It flows** - Kingdom is a movement that ignites us on four levels
- **Righteousness, Peace, and Joy** - The compelling opportunity to share these
- **Being on the same page with Father** - Knowing it prophetically
- **Engagement and ownership** - Shedding serfdom for partnership
- **People will love you for it** - When you prophetically see someone's heart and help them connect with identity and purpose
- **Ecclesia happens** - When people get clarity on what God wrote in their hearts, they fall in love with Jesus, us, and one another

## 8. SUPERNATURAL COMPETITIVE ADVANTAGE

---

- **It's good for business!** - Putting Kingdom first releases what Father can add (Mt 6:33)
- **His plans work better, far better** - Big improvement on mine alone
- **Anointing on purpose gets results** - You can feel it, others can see it
- **Miraculous level** - Father adds what's missing on a supernatural plane
- **Cash flow and Kingdom culture** - Your business translates purpose to both
- **Financial, systemic, and personnel problems are easier to resolve** in a Kingdom Culture
- **Really good for business!** - Sons who co-labor release creativity, initiative, and Father's power

## 9. CLARITY, COURAGE, AND CONFIDENCE

---

- **Purpose on paper** - 7-Spirit Profile, Council conversations, my story resonates
- **I can clearly articulate where I'm going and why** - Spirit of Knowledge gives downloads
- **Clarity, confidence, and courage from purpose** - Getting it from conversations with Father
- **Seer gift activated** - See new ideas, approaches, innovations like our Father. My creativity and initiative is released as I get clarity on Father's purpose.
- **See books in people** - We naturally love them and help them inherit their land
- **Prophetic initiative** - Leaders measure maturity in this; sons convert Living Words to Greater Works
- **Resilience in trials** - Motivation doesn't collapse because source is Living Words and Kingdom Purpose

## 10. LOVE, FAMILY, AND TRIBE

---

- **Conversations, family, brothers, and sisters** - Father revealed His heart of love for this
- **Pulling other sons and daughters into their sonship** - Priority is hearing their hearts, knowing their Kingdom Purpose
- **Seeing them blossom in business** - We're not just selling products and making money
- **They will love you for it** - Guiding people to their purpose liberates the motivation God wired into their heart
- **Transparent relationships that last a lifetime** - When I understood who they were and what they carry, I loved them back
- **Culture of honor** - We're very aware of what Father and brothers/sisters carry
- **Help them inherit their land** - Because we can see it
- **Contributing to their tribe** - People are very interested in this

## 11. JAILBREAK FROM SERFDOM

---

- **There is no such thing as a coach** - Only leaders who connect sons with purpose or managers who fence servants in with rules
  - **The former is a jailbreak; the latter is a concentration camp!**
  - **Liberation of your dream coming true** - It's a jailbreak from monotony of slavery
  - **Shedding serfdom for engagement and ownership**
  - **Freedom to pursue the desires God wrote in your hearts** - That innate entrepreneurial spirit
  - **From frozen sheep to chosen sons** - Participating rather than just observing
  - **From flawed to flowing** - From sinking ships to sonship
- 

### **The Ultimate Invitation:**

*"Would you like to be Father's Son or Daughter? You and Father on the same team, blessing nations, carrying powerful anointings, having a role in Reformation on Earth, fathering your own sons in your tribe via Ascension and Reformation."*
